

THESE ST. ALBERT letter carriers joined their fellow workers in Edmonton and other parts of Canada Tuesday as they went out on a 24 hour strike for more pay and cost of living adjustments. However the St. Albert post office was open to the public Tuesday; you could drop off mail, buy stamps and pickup mail. Clerks were looking after the front wickets but no one was in the sorting part of the office.

Large gallery hears town planner on development control

Close to 90 persons were in the audience for a public meeting on the Development Control Bylaw included in the council meeting on Monday night. Development control is considered to be an integral part of the General Plan for the Town of St. Albert - to ensure planned development of the town.

Mr. Wayne Gordon, town planner, was asked to give a brief overview of the factors involved in development control for the benefit of the members of the public in the audience.

Mr. Gordon explained that council had resolved to prepare a general plan in December of 1974 under Section 94 of the Planning Act, and that section 100 states that council must apply to the minister of municipal affairs to exercise

development control over areas included in the general plan.

A requirement of the act is the preparation of a draft development control bylaw for the consideration of council. Subsequent to the passage of a resolution for general planning, Mr. Gordon explained, an application had been made to the minister of municipal affairs to issue a development control order authorizing council to exercise development control in certain areas. Mr. Gordon pointed out that this would repeal certain existing zoning bylaws in the areas proposed for development control. Once the bylaw is passed, it would be submitted to the Provincial Planning Board for approval.

Mr. Gordon explained that development control resolutions will be prepared by council, as the guidelines under which development applications will be considered in areas under development control. These

resolutions can be "blanketing" (adopting and endorsing existing uses and extensions thereto) with any new proposals considered on their merits, having in mind general considerations under the General Plan. Or the resolutions can be made more specific and by resolution council may adopt standards and requirements under zoning categories to be coincidental for similar classifications under the Development Control Bylaw.

"Council may," Mr. Gordon said, "at any time after instituting a development control bylaw, revert all or portions of areas which are under development control back to zoning simply by authorizing the preparation of a zoning bylaw for the particular area." He said that hopefully the reverting to zoning bylaw would not be done until the design brief has been adopted by council for that particular area.

The procedure for handling applications under de-

Continued on page 2

Businessmen meet with Council

Three local businessmen met with council for about three-quarters of a hour Monday evening to express some of their views and concerns on the existing business community and future development. Gerry Belke, representing the Grandin merchants and Roger Montpetit a representative of the downtown merchants and Ernie Jamison, publisher of the Gazette, had an 11 p.m.

appointment, but due to a long meeting they were heard at 11:45. At the request of Mr. Belke council voted in favour of going in camera, which Mr. Belke felt would enable a more frank discussion, since one piece of information had been given confidentially to the businessmen and mayor last week.

The main concern of the businessmen was that council consider approving a

proposal for major food outlet in the downtown area. "We had spoken to the president of a firm who is keenly interested in moving in downtown," said Mr. Belke, "with a store about the size of the Safeway here." The firm was prepared to build a free standing store, but would prefer some type of department store beside them, and they are looking for about 2½ - 3

acres which they would purchase from the town, Mr. Belke said in an interview Tuesday.

We felt that council would be looking at ways and means of selling some of the roughly 14 acres of land they own downtown, and we felt also they would be sympathetic to the opportunity to bring in another food outlet. The sale for the two store

Curling Club honours Art McCormack

In the many years I have been associated with this club I have seen a lot of presentations - some nervous situations - and a lot of happiness, said Armand Donais at the curling banquet Saturday night. "Tonight the club has asked me to do a job near to my heart - one of the nicest and happiest things I have ever done for the club." When Art McCormack was asked to come forward the crowd of nearly 300 people stood and gave him a prolonged ovation.

Mr. McCormack is retiring after 12 seasons as manager for the St. Albert Curling Club.

"A long time ago - 11 years - Art and I met in the back yard of my house, along with about eight others," said Mr. Donais. "The club was \$135,000 in the hole - the bank was after us - about 25 creditors were on our back. We had tried, but we needed a manager. I said to Art 'we

TO THE BEST curling rink manager ever! Art McCormack (centre) receives a life membership to the St. Albert Curling Club from Armand Donais with his wife Vina in attendance. Mr. McCormack was also awarded a cheque for \$500 and a commemorative plaque from the St. Albert Ladies Curling Club.

Few Questions asked

Of the 90-odd persons in the audience for the public hearing on development on hand at Monday's meeting, only two persons from the audience addressed the council.

Mr. Pat MacDonald, representing Madison Development Corp., had concerns regarding the parcel of land owned by themselves (located at the south end of town) which would be effected by development control.

Mr. MacDonald noted that the owners had purchased the property under its current zoning status and it was not in the "unspecific" category to which Mr. Wayne Gordon, town planner had referred to. He explained that the property never was taken to the stage of development agreements being before the town for signing.

Mr. Byron assured Madison Development that the town was not eliminating consideration of a R3A development although the area was proposed for development control. Mr. MacDonald stated.

Mr. MacDonald explained that his client wished to have some assurance that the existing zoning would not be changed and council to consider that legal implications (as in the case of the Whitehall Square which had some litigation surrounding

the changing of existing zoning - the Supreme Court of Alberta upheld that zoning to development control was a retrograde step).

Mr. Gordon noted that the existing zoning would be of consideration in preparation of the design brief and the owner would be consulted. Mr. Gordon noted that even under zoning bylaw, council would have the prerogative to change land use classification as they would under development control bylaw.

Mr. Mellish, representative of Carma Developments, queried what would be the result of development control on the portion of land on the development control map designated as area #9 (containing part of River Lot 46). He explained that Carma had been seeking zoning approval on this property.

Mayor Plain pointed out that the numbering of the map indicated priorities for the preparation of design briefs and suggested that Mr. Mellish that his concern was not founded and that the bylaw regarding the zoning of R.L. 46 was part of a latter portion of the agenda.

Mr. Plain asked three times if there were other members of the audience wished to speak on the subject of development control without response and Coun. Thronson moved that the public hearing cease. The motion carried 7 to 0.

Development Control

Continued from page 1

development control was outlined by Mr. Gordon. He explained that following the receipt of an application the site would be posted by the development officer. The posting would indicate that an application had been received for that property along with the use of the property. Pending any comments received by staff regarding the posting, a decision would be made by staff on the application based on the resolutions of council. Once staff decision is made, residents within 100 feet of the site would be contacted and would have a period of 14 days to file any objections to the development (received by the secretary of the

development appeal board). In the event that an appeal was lodged, an appeal hearing would be held to deal with the appeal and the decision would be made by the development appeal board.

Amending the development appeal bylaw would be done by council - initiating a change in the land use classification guide or schedule, or a request can be received by council to initiate a change. Council is not obligated to hold a public hearing under the planning act but the bylaw includes a specific clause which gives council the option to hold a public hearing in conjunction with a change. Once council

has determined whether or not to amend the development control resolution, the land use guide and the schedule of permitted uses would be amended accordingly.

The areas that are proposed for development control (noted on a number of maps of the town which were on hand at this meeting and have been before council at various times when the matter was under discussion) illustrate shaded areas as being proposed for development control - moved from zoning classification and placed under development control classifications. Design briefs will be prepared for each of these areas either by the town planner or by the town planner and the ERPC together. The numbering of these areas (clearly a point of concern for residents and potential developers) were noted to be tentative priorities for the preparation of design briefs.

The reasoning behind choosing these areas for development control," Mr. Gordon explained, "is that in our opinion the zoning of these areas is presently quite unspecific and inadequate." He noted that in the majority of these areas the zoning is R1, MX, or CX category which is largely a holding category. "The fact that they will be under development control is really no difference from their present category," Mr. Gordon said.

The design briefs would be prepared in consultation with the owners and the draft design briefs would be presented to council, followed by a public hearing for the individual areas as the design briefs are being prepared.

Once council convened the public hearing and directed any changes in the design brief, it would then be adopted as a guideline for the development of that area (and maintain the development control classification) or revert to the zoning bylaw status.

"I would think that in areas largely under single ownership," Mr. Gordon said, "we would probably anticipate reverting to development control upon the adoption of the design brief, but in areas where it is fragmented requiring replots and similar mechanisms we may still have to maintain the areas under development control."

Hospital Ball May 10

Tickets are now on sale for the 6th Annual Spring Ball presented by the Sturgeon General Hospital Auxiliary. The ball will be held on Saturday, May 10 at the St. Albert Inn and the Rev. Hart Cantelon has consented to be the guest speaker for the evening. CCA personality Bob Arnold will act as emcee and the music will be provided by The Baron Brass. Tickets are priced at \$18 per couple and are available by phoning 459-8496 or 459-7335.

Curling Club

Continued from page 1

need somebody to look after the club. We can only pay \$75 - and even 12 years ago that wasn't much. But Art has his heart in curling - and in the town and he has stayed until this year. For the last nine years, Mr. Donais added, if the phone rang at the rink it rang also at his house extension. He has been available to help everyone in the club - no one in any club has ever supported it so much. He was so excited when we had a winning rink - he has aided in so many ways as a part time manager - and his wife as well.

Vina came forward, and in presenting Mr. McCormack with an Honourary Life Membership and an engraved plaque, Mr. Donais

said "for over 11 years we can thank these two to a very great extent - and again the crowd stood spontaneously to give the couple a hearty standing ovation."

Master of ceremonies, Hec Gervais then called on Betty Anderson. "It is a great honour and a pleasant duty that I have in representing the Ladies Curling Club tonight," said Betty. "I have known Art since he came and have many happy memories. Art can never imagine how much we appreciate all he has done for our club. The ladies always say," said Mrs. Anderson, "that the men's club could not have got along without the ladies. And the curling club could not have got along without Art!" She asked all the

members of the ladies' club to stand and toast "the best curling rink manager ever!", and presented a handsome wooden plaque to Mr. McCormack.

Hec Gervais then made the presentation of a cheque for \$500 to Mr. McCormack "wait a minute - I left it in my other pants!". I have known Art and Vina a long time, said Hec - he will bet on a crib game - hockey - football - anything, and we have had lots of fine evenings at his place. Usually he doesn't have his teeth in or his shoes on Hector added, drawing a lot of laughter. "It is a pleasure to present this cheque to Art and Vina."

"It is with a heavy heart I say goodbye," said Mr. McCormack - you've heard about the 'old gray mare' - this can perhaps be applied to me."

"Over the 12 years there is no way I could have carried on without the capable help and the love and understanding of my wife. May God bless all you curlers!" The crowd rose and again applauded the McCormacks as they took their places.

Meet with Council

Continued from page 1

development could realize about a half million dollars for the town, and it was pointed out that there would be the additional saving in interest for taxpayers, said Mr. Belke.

The second biggest need at present, we felt was an indoor theatre and we suggested council consider this development on the Shapiro site.

It was a very informal discussion, he added, with questions and answers back and forth. Mr. Monpetit felt the downtown needed revitalizing and improved parking. Mr. Belke pointed out that Grandin Mall was ready to go if the land swap could be arranged and noted that the mall was in a bind for employee parking. The businessmen felt that a decision on a major regional shopping centre should await the general plan and that it would in any case be at least 18 months away, and in the meantime the food outlet was a pressing need.

Mr. Jamison was concerned about the impact of a very large regional shopping centre on traffic, especially if located on the highway which he felt would create an impossible situation from 7 a.m. until 10 p.m., six days a week. He was also interested in council's plans for the provincial street program, which would now provide over \$400,000 for improvements in this area. The mayor and council certainly showed interest in what we had to say, said Mr. Belke, and we advised them that the proposed food store and department store would need lead time to develop their business prior to a

regional shopping complex going in. We left it up to council to let us know their thinking on various suggestions raised.

TOWN OF ST. ALBERT

requires a

SWITCHBOARD OPERATOR

The Town of St. Albert requires a person to handle the Town's switchboard from Monday through Friday, 8:30 a.m. to 5:00 p.m. The successful applicant must have a clear voice and be willing to start work not later than the 28th April, 1975. The salary range for this position is \$455.00 - \$581.00 monthly. This competition will close at 12:00 noon on Thursday, April 24, 1975. Applications should be brought or delivered to the Personnel Director, Town Hall, St. Albert.

TOWN OF ST. ALBERT

The Town of St. Albert has the following vacancies:

1) Supervisor of Playgrounds for the period from June 23, 1975 to August 29, 1975. The salary for this position is \$130.00 per week.

2) 10 Playground Leaders for the period from June 30, 1975 to August 22, 1975. The salary for this position is \$90.00 a week.

All positions cover a 40 hour week. Applicants must be a minimum of 16 years of age. Please deliver or send applications to the Director of Personnel, Town Hall, St. Albert.

REASONABLE

Councillors suggest salary of \$4200

The committee of the whole voted 4 to 3 in favour of \$4,200 as the yearly remuneration for councillors on Monday night. Coun. Fyfe, Thronson, and Smith were opposed, and this matter will now be before the public meeting on April 23 for the reaction of the electorate.

The special meeting of the committee of the whole to

deal with councillors' remuneration was scheduled half an hour earlier than usual and was called to order some 20 minutes late on Monday owing to the fact that several councillors were late and there was not a quorum present.

At about 7:20 when there was a quorum, Coun. Rod Thronson moved that the matter be deferred until the

full slate of council members were present. The vote on the motion was 3 to 1 (Mayor Plain voted against). Coun. Breadner, Lukay and Smith arrived minutes later and the special meeting was called to order again.

Coun. Myrna Fyfe placed the subject on the floor with a motion to establish councillors' remuneration based upon 100 meetings per year and on an 11.1% increase. (At the former rate of \$36 per meeting, roughly \$4,000.)

For the benefit of Coun. Wetsch who was not present at last week's meeting when the matter came up, Coun. Barry Breadner briefly reviewed the proceedings, explaining the several motions had been made and defeated at that time.

Coun. Wetsch asked Mrs. Fyfe why she had arrived at a yearly meeting average of 100 meetings and was told that in the past year there had been more meetings scheduled than would normally (127). Missed meetings were also a factor she felt.

Coun. Rod Thronson said that he felt that a \$40.50 per meeting figure would be the only one he would support. He said that a flat meeting fee was the fairest method of remuneration to keep within a budget (and keep down the number of meetings) and a scheme of this type may have some small bearing on attendance.

Mayor Richard Plain said that a count of 127 meetings simply deals with the number of meetings for which remuneration was paid. He contended that the work load of a councillor exceeds meetings for which a "nominal honorarium" is paid. The mayor said he felt that the average number of meetings was about 125 per year and the function of this particular council was to contribute to communication with the members of the community. Mayor Plain moved that the remuneration be set at \$4,500 per year.

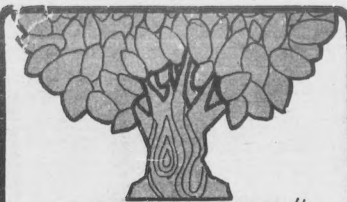

ST. ALBERT scouts and members of the town historical society got to work last Saturday morning cleaning stucco and tearing away lean-tos from the 1888 NWMP barracks at the back of the Senior Citizens Recreation Centre. This is in anticipation of moving the structure to another site where the building will be refurbished and used as a tourist information office and Chamber of Commerce facility. President of the St. Albert Historical Society Jim Parker is well up to date on the building. He said the iron-barred gaol cell formerly in the building is now being used as a chicken coop - of all things!

Coun. Margaret Smith stated she would support the motion made by Coun. Fyfe though she felt that a figure of \$3,600 was appropriate in her own mind.

Coun. Fyfe's motion (11.1% at 100 meetings per year) was defeated 3 to 4 (Fyfe, Smith and Breadner voted in favour). Mayor Plain's motion for a yearly remuneration of \$4,500 was defeated 1 to 5 (Plain voted in favour).

Coun. Breadner moved that a figure of \$4,200 per year be approved as a compromise and the motion carried 4 to 3 (Fyfe, Smith and Thronson were against).

By Clara Morin

Again we had a nice get-together at the Recreation Centre last Thursday. There were 37 people present. Sister Bonin from the Youville Home came, bringing a car full of old friends. Let's hope they can come again.

Sixteen hands of whist were played. The ones who had the highest scores were Mrs. L. Robert and Mr. L. Szuba. The consolation prizes were donated to Mrs. M. Poloway and Mr. Renee Martin.

This week, on the 24th there will be a group at the Recreational Centre playing bridge. But it is not necessary to go there just to play bridge. If you want to play other card games you are welcomed to do so, on days that the regular whist is not played, but on days bridge is played other games can be enjoyed too.

On May 1 a bingo is to be held, starting at one o'clock sharp; because we are expecting company on that afternoon.

Applauds Minor Hockey Program

As the mother of a minor league hockey player (who plays on that terrible Shaver B Flyer team that cheats,

breaks rules and plays over age players), I am sick to death of all the criticism of Kinsmen minor hockey that has resulted from the semi-

final and final games in the Shaver division. Everyone will freely admit that mistakes have been made but let's face it, the minor hockey program is a huge undertaking by some wonderful, hard working volunteers who devote a tremendous amount of their time. If all these parents that are so concerned can do the job better then let's see them organizing it next year. I say hats off to the Kinsmen of St. Albert for a great job!

In answer to all those parents who are so concerned about the over age (by six weeks) player on the Flyer team, it is freely admitted that this is so, although it was unknown to the coaches concerned until three weeks ago. However, why should this nice young boy, his parents and his team suffer for a mistake made by lord knows who at the beginning of the season and where was all your concern about him during the first four months of the year when he was only scoring a few goals and the Flyers were losing nearly every game?

In response to Mrs. Mitchell's letter in last week's Gazette; his birth certificate was produced before the season started because he wished to play in Mites but

was put in Shavers. Regardless of that fact, do you really expect a coach to tell a nine year old boy that he can't play in the finals with the teams he's played with all year because some adult made a mistake six months ago. Now if it was your son, how would you feel?

I also fail to understand all the fuss about the rule that was broken during the second Flyer-Bruin game. Would there even be any talk if the Bruin's had won? The game was replayed so I cannot understand the comments being made that the Flyers won by cheating. All of the coaches that I talked to felt that to replay the game was the fairest thing to do as it was obviously completely unintentional that the rule was broken in the first place. Considering the Flyer coaches are among the fairest in minor hockey and have played all 16 players on regular lines all year, there can be no argument on that score. The kids were happy to play three games instead of two and I fail to see that any of them have suffered by it so let's let the kids play hockey, the Kinsmen run it and the parents enjoy it.

Mrs. Lesley Hogan,
Grandin Park.

Bouquet to parents

This is a bouquet to the Minor Hockey Peewee "B" Sharks parents. With your moral support and encouragement, we along with the boys, have had an enjoyable and successful year.

If all parents of hockey players conducted themselves as you did, the coaching shortage would be greatly decreased. The sportsmanship and moral of our team, reflected the parental support that you gave our team throughout the year.

The coaches would like to thank all the parents of the "Peewee B Sharks" for the banquet you had for the coaches and boys at the St. Albert Inn. A special thanks

to Mr. and Mrs. Coinner, and Mr. and Mrs. Maruyama for the plaques and trophies for the coaches and players, and also Mr. and Mrs. Buttery and Mrs. Bennett for the success of the banquet.

A special bouquet to Dick Buttery for his endless assistance.

Your appreciation was our reward. Thank you all again for a great year.

Tom Milton and John Tenzer, coaches of the Sharks, would like to convey their appreciation to the boys for making it a thoroughly enjoyable year.

Tom Milton
and
John Tenzer.

Students complimented

I would like to compliment the students of Leo Nickerson Elementary School who did so well at the Edmonton Regional Science Fair this past weekend.

The science teachers at Leo Nickerson work hard with their students in pre-

paration for the competition. As a parent with students at Leo Nickerson I am pleased that my children have had contact with teachers and staff who offer this incentive to their students.

Jeanne Irwin,
Sturgeon Heights.

CLUB MOCOMBO, ST. ALBERT TRAIL

Error corrected regarding pool

I wish to correct one very basic error in the letter from Mr. R. D. Kirstein printed in last week's Gazette. The pool design adopted by council for inclusion in the recreational complex conceptual design is almost identical to the Parks and Recreation Board recommendation as it came to council. As a member of the Board and council I cannot accept Mr. Kirstein's accusation that expert and community input was ignored. He was not the only person with aquatic or pool design experience to express an opinion, and as in many other fields of human endeavour you usually find as great a variety of opinion as experts. It is my sincere belief the design adopted by council for the total complex reflects the opinions of experts, user groups, and citizens as received by the Parks and Recreation Board. Therefore I feel Mr. Kirstein's remarks are not correct, and in fact very misleading.

The total design adopted by council differed from the

Board recommendation in only one significant way. The 300 seat theatre suggested in the Parks and Recreation Board concept was deleted because of financial constraints set by council. These financial constraints are real and necessary in the opinion of council because anything beyond \$4.2 million will be paid for totally by the town, based on the per capita grant formula under which we are seeking funds. I suggest the decision to remove the theatre was made with considerable reluctance, but by so doing the remaining features of the complex were left intact.

The conceptual design as presented to the province as part of our submission for financial assistance is on display in the Grandin Shoppers Mall. Please take the time to view it. If we receive approval on funding the design must still be refined, at which time user groups and citizens will again be asked for their opinions.

On a limited budget, the recreation complex cannot be perfect. But it will satisfy many urgent needs in this community. IF IT IS BUILT SOON. St. Albert has a right to a provincial grant of 100 dollars per capita SOME-TIME within the next 10 years. But our needs are NOW.

Now is the time for unity and action. This community must convince the provincial government that it needs the grant in 1975, not after years of inflation have reduced its purchasing power. The decisions on the concept, major components and site have been made. Minor changes will be made after the grant is assured.

Our proposal has been presented to the provincial government. What will you do to persuade the government that St. Albert needs its recreation grant - NOW?

Margaret Smith.

Lions suggest property for seniors' lodging

The St. Albert Lions Club made a suggestion to council at the meeting on Monday, April 21, that senior citizens lodging be located on the Belcourt property in the Lions park area near the existing senior citizens' recreation centre on Tache Street.

Mr. Ed Savoie and Mr. Bob Prather were on hand

from the Lions Club and Mr. Bob Prather acted as spokesman. Their appointment was about an hour later than it had been slated for.

Mr. Prather acted as spokesman for the Lions Club and he commended the council for the work they have been doing for the senior citizens. Mr. Prather noted that the land is already owned by the town and said that the Lions Club had passed a motion unanimously for the location of the lodgings in this area.

In terms of advantages for locating in this area, Mr. Prather pointed out that it would be bounded by the river on one side (an aesthetic benefit), a location close to shopping facilities, a location near to a medical centre, the senior citizens recreation centre is close by, the curling rink is close by, near to the town hall and library, as well as in a potential area for the construction of the future town hall.

Coun. Margaret Smith moved that the information be received which gave council an opportunity to discuss the matter. Coun. Thordson noted that there is a lot on the property (a 99 year lease) which includes the desire to purchase the Belcourt property as part of

the total park in that area.

Coun. Fyfe inquired as to the current status of the application for a senior citizens' lodging. Mr. Byron stated that the town was currently pursuing budget and the multi-purpose recreation facility and at this time the application is at an intermediate stage. He explained that the Alberta Housing Corporation had not been contacted and that contact would provide the basic information which would be brought back to council.

Coun. Smith asked where matters stand with the Sturgeon Foundation regarding the possibility of location of a senior citizens' lodging in St. Albert. Mr. Byron explained that the survey of the Sturgeon Foundation would be a matter of discussion with AHC.

Coun. Wetsch asked Mr. Prather if the Lions would be interested in the entire area (including the Belcourt Property and the park) and Mr. Prather indicated that the area would be utilized as needed for this purpose. He pointed out that the western extremity was hoped to be preserved as much as possible. Mr. Prather stated that he was not looking for a

On Thursday, March 27, St. Albert's 533 Air Cadet Squadron visited Edmonton's AGT Tower in lieu of the normal Thursday night activities. The trip consisted of a tour of "Vista 33," the AGT museum on the top floor of the building.

Cultural Committee Public Meeting

Once again the St. Albert Cultural Committee is sponsoring a panel discussion featuring various representatives of Government of Alberta Departments. Chairman Florence Lefebvre asks all residents who are interested in culture of any type to attend on Thursday, May 1 at 7:30 p.m., in the auditorium of the Percy Page Centre.

This could be a very important meeting said Mrs. Lefebvre, who believes that St. Albert is experiencing a great many changes which require long range planning according to the wishes of its citizens.

The audience is invited to attend with the intention of presenting views and asking questions. If you have something to say or ask, this is your opportunity.

This evening of discussion is arranged with the assistance of Mr. John White, information officer with the Department of Culture, Youth and Recreation.

Hospital seeks advice of public

certain services. The hospital is doing quite a lot more out-patient work than most hospitals this size, Administrator Cliff Keyes told the

The Sturgeon General Hospital Board is pressed for space and planning to add on the west end of the building, (on the first floor only) to provide more room for

Gazette, and space is just not adequate for laboratory, pharmacy, emergency, out-patient surgery, radiology, physiotherapy and respiratory therapy.

With the proposed expansion some services could be added and the Hospital Board is much interested in hearing from the general public what kind of new services they would like, that the hospital does not have now. It might be that we could do some psychiatric, psychological and social work such as counselling, said Mr. Keyes. And the hospital would like to add to the patient teaching programs, such as the pre-natal courses conducted with the co-operation of the Sturgeon Health Unit, and the diabetic counselling started a year ago. "We would add other teach-

ing services of this nature if we knew what the people feel would be most useful to them," said Mr. Keyes. He feels that the people best able to assist the Board would be possibly those who have been referred to city hospitals for services not provided here.

The Sturgeon General has been authorized by the Alberta Hospital Services Commission to complete their expansion program, and later this year will decide when work can begin. In the meantime the Board has sent out a questionnaire to doctor's offices, some service clubs and churches in an effort to determine the wishes of the residents, a copy of which is published in this issue of the Gazette. The public is invited to fill it in and return it to the hospital.

STURGEON GENERAL HOSPITAL

REQUESTS YOUR IDEAS AND SUGGESTIONS

***** QUESTIONNAIRE *****

The Board of Trustees, the hospital staff and the doctors at Sturgeon General Hospital are making every effort to develop your hospital as a complete centre for your health care needs. It is for this reason that an expansion of services, particularly for out-patients, is presently being planned. This will mean that facilities will be enlarged and equipped to provide a broader scope of health care for our patients in such areas as:

- *Emergency Room
- *Out-patient Surgery
- *X-ray
- *Physiotherapy
- *Laboratory
- *Respiratory Therapy

Have you or a member of your family ever been a patient at Sturgeon General Hospital? . . . In-patient?
. . . Out-patient? . . .

Were you pleased with the care received?

. . . Comments: . . .

If our services have been on an **In-patient** basis, do you feel that your stay in hospital could have been shortened by some form of home care or other out-patient follow-up? . . .

Explain: . . .

Positive action implemented for lagoon problems

Town crews were at work on Monday, spraying the banks of the Sturgeon River and land around the lagoon site west of town with All Masque 518-B-Y, a strong smelling deodorant gas which should mask the fragrance of the over-loaded lagoons. The odour should cease by the spring and, hopefully, with the assistance of All Masque 518-B-Y, we will not notice the aroma of the lagoons.

St. Albert's existing sewage treatment facilities, which are to be phased out this spring, are unwilling to expire without a certain amount of pugnacity. Citizens of the community were fragrantly reminded on the existence of the lagoons when an unpleasant odour drifted over the town last week.

Town engineer, Mr. Jan Maandag, told the Gazette that "it is an unfortunate type of thing, the only thing we can say is that it is not being neglected, we are doing something positive

take place in roughly one month. The introduction of this facility will spell the end of dumping sewage into the Sturgeon River by the town.

"Even though it (the odour) is unpleasant," Mr. Maandag noted, "it is not directly a health hazard other than people will be upset by it; anything that is not pleasant effects the health to a point - your mental health more than anything else - but there is no direct health hazard."

Currently the sewage lagoons reluctantly support the 20,000 population of St. Albert with a capacity for only a population of 15,000. Mr. Maandag explains that this is the major factor causing the problems being experienced.

Mr. Maandag reported that one result of the overstrain is that bacterial action which would take place under normal conditions is hampered by the higher load and the lagoons are not performing their sewage treatment function adequately. With extra sewage being channeled into the lagoons, an early spring discharge of treated sewage into the

Sturgeon River was commenced. The discharge was initiated last week although spring high water levels have not been achieved. The river is not flowing at a peak rate and therefore the sewage is taking longer to get through town also.

Steps being taken to overcome the "lagoon scent" include the utilization of a chemical called All Masque 518-B-Y. The chemical is applied to the ground surface in the lagoon area and along the bank of the river through town. The combination of the 'sour odour' of the sewage and the 'sweet odour' of the deodorant chemical is hoped to result in a less obnoxious aroma.

It is anticipated that the odour problem will end with the start of summer - depending on weather factors - and it is likely that the odour will be greater when it is raining.

Town crews were out spraying the chemical deodorant along the river bank on Monday of this week.

DEPARTMENT OF MUNICIPAL AFFAIRS

NOTICE OF ADOPTION OF ASSESSMENT ROLL

1975

SPECIAL AREAS NOS. 2, 3
AND 4 AND ALL IMPROVEMENT DISTRICTS EXCEPT IMPROVEMENT DISTRICT NOS. 15 AND 17

NOTICE is hereby given that the assessment rolls of SPECIAL AREAS NOS. 2, 3, and 4 and all IMPROVEMENT DISTRICTS EXCEPT improvement districts nos. 15 NAD 17, made under the provisions of the Municipal Taxation Act have been prepared and will, for thirty (30) days, be open to inspection at the Department of Municipal Affairs, 10363 - 108 Street, Edmonton, Alberta, during business hours. Any person who desires to object to the entry of his name or that of any other person upon the said roll(s), or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the Department of Municipal Affairs.

Dated this 14th day of April, 1975.

Deputy Minister,
Department of
Municipal Affairs.

She's flipped for you!

And it's high time you were formally introduced. She's one of AGT's Directory Assistance Operators. If ever you've been unable to find a number in your phone book, she's probably flipped through her directory for you.

You may find, though, that she's a little too popular. While you wait for her to answer (and it sometimes *does* take more than six rings) consider these facts.

Since 1950, the number of telephones has sky-rocketed from 78,740 to a projected 770,000 in 1975. This reflects Alberta's population increase of over half a million people. It also reflects the fact that in the past twenty-five years, Albertans have become increasingly mobile. They change their

addresses — and their telephone numbers — more and more often.

In 1950, all telephone number enquiries were handled by long distance operators. But because of ever-increasing calls, a new position was created — the Directory Assistance Operator. This year, Directory Assistance Operators will answer well over 17 million calls.

Your Directory Assistance Operator knows her role is important. She'll be working as speedily as possible — handling 100 enquiries an hour — to answer your call.

After all, she's more than just another pretty voice. She's a person whose career is helping you find your friends.

Keeping up with Alberta's growth — an ongoing challenge for all of us at

Marilyn Gariepy heads Lady Lions

The St. Albert Lady Lions welcomed four new members to their March meeting held at the Club Mocombo. After the business meeting was adjourned the members were

entertained by Pat Hauptman of Sweetheart Jewellery who gave a very interesting talk on gold and silver. Pat also had some useful hints on making old jewellery into something new and useful. The ladies all came away from the evening with sparkling diamonds, thanks to Pat, and a little more knowledge on jewellery.

The officers were elected at the April 21 meeting and the 1975/76 executive is made up as follows: Marilyn Gariepy, president; Kay Rutherford, 1st V.P., Jean Neuman, 2nd V.P., Millie Boyd, 3rd V.P., Ronnie Jeffrey, secretary and Judy Simpson, treasurer.

Mr. Gratton from the Heart Foundation was guest speaker and gave a most informative talk on heart diseases. He presented President Elise Snider with a scroll from the Foundation for the Lady Lions efforts in the heart fund drive.

Next meeting will be on Monday, May 12 at 6:45 at Club Mocombo, when Mr. Pojse of the Cancer Society will be guest speaker.

And ladies interested in finding out more about the club are welcome to phone Judy Simpson, 459-5335 or any member, who will be happy to fill you in or bring you to a meeting.

The Lady Lions would like residents to help them send a child to Camp He Ho Ha by attending the benefit dance in St. Albert Parish Hall on May 3. Tickets are \$12. per couple, with no other expenses and may be arranged by telephoning Judy Simpson at 459-5335.

Day Care Society Board

A new board of directors for the St. Albert Day Care Society was elected recently, with board positions being filled as follows: President - Ernie Wynychuk; Past President - Kathleen Stewart; Secretary - Phyllis Matras; Finance Chairman - Alistair Aikman; Public Relations Chairman - Gloria Langford; Building Chairman - Vi Oke; Personnel Chairman - Amy Olson; Special Projects Chairman - Helen Durand.

Other board members who will serve on the committees are Richard Wisetley, Suzanne Toal and Marilyn Page.

The matter of immediate concern facing the new board is the finalization of plans for the new Day Care Centre. The Centre, to be built in Fountain Park, is designed to accommodate 60 children. The present Centre, housed in the basement of the Elim Pentecostal Church, has 34 children enrolled with over 50 others on the waiting list.

Another area of concern for the new board is the possibility of an after school program for the 6 - 12 year old children of working parents. If you are in need of this type of program or have any suggestions on its organization, please call Gloria Langford at 459-8234.

Bottle Drive Saturday

It's time to start collecting those bottles according to Bonnie Engel. She is one of the 1st St. Albert Rangers who will be collecting them on a bottle drive in Grandin on Saturday, April 26. Pop

cans, pop bottles, wine, beer and liquor bottles will be collected as part of their projects to raise money for their Summer 3 week British Cycling tour. Bottle drives in other parts of the town will

be held later in May.

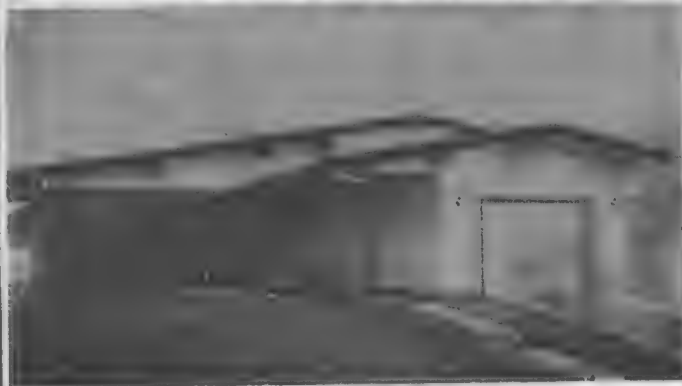

The Rangers wish to thank the St. Albert Boy Scouts for their support in that they decided not to hold their annual Spring bottle drive and allowed the Rangers to conduct it in their stead.

Eleanor Nuttall dies at 45

ELEANOR NUTTALL

The Rev. Len Musto conducted funeral services for Mrs. Eleanor Nuttall on Tuesday, April 8 at two o'clock in St. Albert United Church. Mrs. Nuttall died suddenly early Thursday morning April 3. During the service Rev. Musto read a

moving farewell message written for Mrs. Nuttall by her daughter Terry. Soloist Richard Leggett sang The Lord is My Shepherd, accompanied by organist Diane Wright, and the hymn selected was How Great Thou Art.

Serving as pallbearers were Hector Gervais, Casey Anderson, Sergius Dobko, Richard Leggett, Marcel Venne and Wilf Borgstede. Cremation followed and the ashes will be placed on the grave of her husband, Tommy, who predeceased her on February 6 of this year.

Eleanor was born in Trail, B.C., on November 30, 1929. She moved to Yellowknife, NWT with her parents, Mr. and Mrs. D. C. Spain as a young woman and worked in

the Hudson Bay Company store there, during which time she met and married Tommy Nuttall. Their four daughters were born in Yellowknife and the family moved to St. Albert about nine years ago. Eleanor assisted with Brownies and Guides and did volunteer work at the Sturgeon General Hospital, in addition to being active in the United Church. She was also an enthusiastic member of the Ladies Curling Club here.

Mrs. Nuttall is survived by four daughters, Shawn, Sandra, Terry and Donna, her father Mr. D. C. Spain, two sisters, Gloria Wood of Fullerton, California and Betty Garnett of Calgary, and one brother, Gordon Spain of Trail, B.C.

Lady Lions Benefit Dance

St. Albert Lady Lions are again holding a benefit dance, May 3, 1975, at the Parish Hall. All profit realized on the dance goes toward sending physically and mentally handicapped children to Camp He Ho Ha on Lake Isle.

This camp is maintained by the Associated Canadian Travellers and has been a welcome break for many handicapped children every summer.

The Lady Lions would like to invite all interested residents to support this dance and enjoy an evening of dancing, refreshments, and a homemade lunch. Admission is \$12 per couple, this includes dance, all refreshments and lunch.

For tickets kindly call 459-5335 (evenings), 459-3958, or any Lady Lion. Tickets will also be available at Hutchings Shoes on the Mall.

Lady Lions next general meeting is April 21 - 6:30 p.m., at the Club Mocombo. Guest speaker for the evening will be Mr. Gratton from the Alberta Heart Foundation.

PARTY LINE

The St. Albert Public Library's regular month end puppet show will be offered at the library this Friday at 4 p.m. and again at 5 p.m. All children are welcome and there is no admission. The show will last half an hour. Once again Little Susie Bookender will meet the evil Baron von Booksnatcher. Who will win? Come and find out Friday in the library annex.

The annual dinner meeting for the University Women's Club of Edmonton will be held on April 28, at 6:30 p.m., in Lister Hall. Tickets are available from Mrs. J. Haddow, 434-7517.

Engineers' wives are invited to meet other engineers' wives at the last coffee party of this season. It will be held May 18 at 8 p.m. Anyone interested please call 458-2359 for further information.

Ladies who would like to sing four part harmony Barbershop style, are invited to join the Gateway Chapter of Sweet Adelines Inc. every Tuesday evening at 7:45 p.m. at Augustana Lutheran Church, 9901 - 107 Street, Edmonton. Further information may be obtained by phoning 459-8656 or 459-7496.

On Thursday, April 24 the Nickerson Parent-Teacher Association will hold a follow-up meeting on the

REGULAR EVENTS

MONDAY - 7:45 p.m.
Camp Lacombe Bingo in Parish Hall.

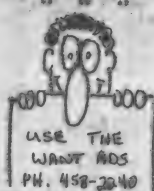

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

THURSDAY - 9 a.m. to 3 p.m. Mother's Day Out program. Bookings - 459-4534; Volunteers - 459-7476.

"Self-Concept of the Child," Mr. Gary Miller will be talking about how adults can foster positive self-concepts in children. Parent participation will be invited for part of the program.

On Saturday, April 26, the Consumers' Association of Canada will set up a booth in the St. Albert Library to handle all complaints and enquiries about freezer plans. The booth will be in operation from 1 to 5 p.m., and experienced CAC people will discuss at length with anyone considering such a plan as well as supplying written matter. In the experience of CAC personnel, summer is the time for

callers to CAC offices feeling at worst, cheated, and at best, disgruntled, over freezer plans. The fault often lies within the individual purchasers as with the freezer plans of the sellers. The purpose of the booth is to illustrate a few complaints.

Jack Bigg passes while on vacation

Bahá'u'lláh

THE GLORY OF GOD

Bahá'u'lláh is the latest in the succession of Divine Messengers sent by God since the beginning of man's existence. He is the Promised One of all religions. His coming ushers in the Age of Fulfillment mentioned in all the prophecies of the past. Bahá'u'lláh brings God's Plan for world peace, world justice and world unity.

FOR INFORMATION:

Bahá'í Faith

P.O. BOX 87, ST. ALBERT OR PHONE: 458-0447

The Royal Canadian Legion learned with deep regret of the unexpected death of Frederick Johnstone (Jack) Bigg, formerly of 22 Malmo Drive, St. Albert while holidaying in California.

Mr. Bigg became a member of St. Albert Branch 271, of the Royal Canadian Legion on moving to St. Albert to live. He joined the RCMP in 1935, joined the Army at the outbreak of war in 1939 and went overseas almost immediately with the first contingent. Serving in England, until the invasion in Normandy, he saw the war through in Northwest Europe, and retired with the rank of Captain in 1947.

On leaving the service he returned to the RCMP and served with the Force until retirement in 1958, when he went into politics and served for 14 years as Member of Parliament for Athabasca and Pembina constituencies. He retired from politics in 1972.

While in the RCMP he was selected for law training at the University of Toronto and graduated with a law degree.

The Pitch and Spice singers and musicians have prepared a completely new show which will be presented in the St. Albert Roman Catholic Church on Friday evening. Song Fest is a delightful program blending old and new favourites, with songs selected for a wide variety of tastes and age groups. The widely acclaimed group, under the direction of Father Ubald Duchesneau is seen on stage at the Jubilee Auditorium when they presented Our House last November for an enthusiastic audience. The group will be taking Song Fest on an Okanagan Valley tour May 8 to 12. Pre-sale tickets are available from any member or at Sweetheart Jewellery on the Mall for \$2. They will be available at the door Friday evening at \$2.50.

In 1937 he married Gladys Grace, and besides his wife Jack is survived by three married daughters Phyllis, Pamela and Heather.

Besides being active in the Royal Canadian Legion, Jack was active in many other organizations. A native of Saskatchewan, where he was born, in Meskenaw, he played football with the Regina Roughriders in the thirties.

He will be missed by his comrades, his friends and his family.

St. Albert Cadets gain scholarships

Some of the Cadets who applied for Air Cadet summer scholarships have received letters from the Air Cadet Provincial Committee. So far eight of the 11 Cadets have

received letters affirming their applications.

George Howie, Vivian Bendick and Stewart Kennedy will be spending approximately six weeks at Rivers, Manitoba on gliding scholarships.

Mike Dyer and Trevor Cousineau will spend six weeks at CFB Borden, Ontario. Mike on an athletic leadership scholarship and Trevor on a technical training scholarship.

Guy Armstrong has received a senior leaders scholarship and Mike Fabi a powered flying scholarship, while R. Jordan has standby status for a search and survival scholarship.

Meanwhile preparations are being finalized for the annual Parent-Cadet banquet which is being held on the 24th of this month; the annual inspection on May 15th, and the recreational weekend being planned at Jasper from May 17 - 19.

Curling awards presented at banquet

Following a delicious smorgasbord Saturday evening at Club Mocambo a big fellow took over the mike at the annual Curling Club dinner-dance and announced that he was Hee Gervais - "born around here about 15 or 16 years ago - and I'm going to be your emcee tonight."

During the quite long presentations, involving many people, not a one escaped the lively wit of Big Hee, which added immensely to the program, but was mainly in the "restricted" category for weekly newspapers.

He called first on Audrey Petersen, president of the Ladies Club, who presented club championship trophies to the Bunny Porowski rink, with Skinny York, Marilyn Moore and Elsie York.

Brent Hodgins, Men's Club president got a big hand as he came forward to present the men's club champions with their trophies: Bob McMaster, with Bob Williams, Mike Rasberry and Bruce Nicholson.

Hector then called the Tom Reed rink - congratulating the fine young skip who came second in the Brier last year, on his first time in the competition. Tom got a standing ovation as he came forward. Tom named his rink, (who weren't present) thanking them and also the curling club for its fine support. Curling with Tom were Kevin Byrne, Tony Runkel and Lorne Reed.

Lynn Clark presented trophies to the mixed club championship rink skipped by Dave Rudge, with Daphne Rudge, Danny Swail and Barb Swail.

Casey Anderson, who provides the president's trophy, made the presentation to the Don Hornsberger rink, with Jack Dowler, Tom Weiss and Doug Brooks.

Casey also made the presentation to the seniors zone winner. "I was only 12 years old when I first curled with this fellow, said Casey and in those days he weighed about 300 pounds - now he can go through a door without opening it." And he asked Armand Donais to introduce his team: Bob Meyers was not present but Bob Durward and Harry Silo were on hand to receive their awards.

Hee asked Skinny York to make the presentations to the ladies zone winners: Marilyn Johnson, Elaine Suiness, Irene Fielder and Marie Schultzeiss, and the ladies senior zone winners: Vi Tetren, Irma Hargie, Elsie Snider and Helen Hodgins.

Emcee Hector recognized the school boys zone winners, who were not able to be present: Don McKenzie, Doug Easson, Steve Lister and Norm Tinker. He then

called the Roger Comeau rink for the mixed zone trophies: Bunny and Marv Porowski and Irene Fielder.

Roger presented plaques to the other mixed zone winners: the Neil Fleming, Ron Anton and Doug Johnson rinks.

The awards program was interrupted for the special tribute to retiring rink manager Art McCormack and his wife Vi.

Brent Hodgins, president, briefly reviewed the club year and said his was an enjoyable job with the number of willing people available for assistance in the many areas of activity involved in the curling club. He then asked MLA Ernie Jamison to say a few words and Ernie congratulated the club on a good year and noted that curling brings more adults together in St. Albert than any other activity. Mayor Plain was introduced and spoke briefly, commending the club for its good management and contribution to town recreation.

Mixed league winners received their trophies next. Don Tennant made the presentations to the Lloyd Bryant rink, Saturday A winners, and the Paul Sloaner rink, Saturday B winners. Maurice Hill presented the awards to the Wednesday night mixed league winners, the Dave Rudge rink and to the Sunday mixed champions, Jim Synick and his rink.

The Bob McMaster rink, Square Draw A winner, and Don Hornsberger rink, B winners, received their trophies.

phies from Ken Czerar, and Garry Hodgins made the presentation to the C winners - the Ray Rouault's rink and the D winners - the Jim Mountain rink.

Hector then recognized the Al Edwards rink who made it to the finals in the Crestwood Curl-a-Car event, losing a very close game to Doug Dobry.

Dennis Moore on behalf of the club presented President Brent Hodgins with a plaque commemorating his year in office and roses to Ellen, along with the appreciation of all club members. In saving thanks Brent said he had enjoyed the year and that his wife had been a lot of help. He congratulated Art on his contribution to the club and also Armand Donais, "who has played no small part." Hee has given our club a name around the world Brent added - and last year Tom Reed. He thanked his executive - Gerry Fisher in particular for all the leg work. Lynn Clark, Ken Czerar, Dennis Moore, Maurice Hill, Roger Comeau, Bob Osborne and Garry Hodgins. He also mentioned Barry Weaver who ran the club's first cashspiel. "I am pleased to be associated with a club like this - one which produces the type of curlers we have had this past year," said Brent.

Kevin Byrne who had come in late, was introduced by Hee - Kevin played third for Tom Reed in the Brier. A lively evening of dancing concluded the festivities for the approximately 300 guests.

BUNNY POROWSKI, skip, [from left], Skinny York, Marilyn Moore and Elsie York with their trophies for winning the Ladies Club Championship at the St. Albert Curling Club's annual dance and presentations night at the Club Mocambo last Saturday.

SKIP DON HORNSBERGER [from left], Jack Dowler, Tom Wise and Doug Brooks winners of the St. Albert Curling Club's President's Trophy at the Club Mocambo last Saturday night.

BOB McMASTER, [from left] skip, Bob Williams, Mike Rasberry and Bud Nicholson take their trophies in the Men's Club Championship at the St. Albert Curling Club annual dance and awards night in the Club Mocambo last Saturday.

League playoff finals end minor hockey year

The Kinsmen Minor Hockey League completed its lengthy season last weekend with the playing of the finals of all divisions on Sunday.

The first league game was played November 11 in the shaver division while the juveniles were on the ice Sunday, April 20.

There were a few upsets in the league playoffs but the majority of the teams that

finished in first place in the regular schedule ended up winning the playoffs.

The 12 team shaver league was split up into two divisions for the playoffs as there were two trophies available for competition. The top four finishers were placed in A with the next four going into a B playoff. The final results of all playoff series, (which were two

game total goals), are as follows:

SHAVER A

This was somewhat of an upset as the third place Beavers scored a two-game total goal 9-7 win over the second place Kolts. Kolts won the first game by a 5-1 score but lost the final game 8-2. Tom Davidson led the

Kolts in their 5-1 win with a pair of goals. Beavers scored four third period goals in the final game to win 8-2. Ole Gravenston led the way with a hat trick. The Beavers win gave them the Dan Swist Jacket Trophy.

SHAVER B

The eighth place Wolves won this division with a 13-10 total goal score as a result of a 7-6 opening game win and a 6-4 victory in the final over the Flyers who finished in eighth place. Darren Seyler's three goals and a pair by Cam Webb paced the Wolves in the opening game that saw Greg Ewuk score four times for the Flyers. Don Bremault was the big scorer in the second game with three goals. Wolves scored four third period goals, two by Bremault and singles from Cam Webb and Darren Seyler. James Lloyd scored in the first period. The win gave the Wolves the Red Erickson Memorial Trophy.

MITE A

The playoffs in this division were almost identical as regular season play between the Saints and the Warriors. Both teams tied for first place in the regular season with identical records and won their semi-final games to reach the finals. Saints won the first game 5-2 with Michel Poulin scoring three times while Dean Clark scored both Warrior goals. In the second game, Poulin scored in the first period to give the Saints a 1-0 lead and a 6-2 series advantage. Warriors refused to tie and came back with three straight goals by Clark, Miles Spencer and Greg Filipchuk to come within one to tie the series. Saints managed to hold off the Warriors in the last few minutes and won the series. Warriors couldn't get the tying goal in the last few minutes and won the game 3-1 but lost the series 6-5. The win for the Saints gave them the Kinsmen Mite A Trophy.

MITE B

The Sturgeon Electrical Flashers won the Klondike Inn Trophy winning their series with the St. Albert Vikings 4-3 in total goals. The opening game saw the Vikings score a 2-0 win on goals by Henry Koedam and Kurt Husband. Flashers fought back in the final game and came away the winners by a 4-1 score and win the series by one goal. Robert Hutton scored two goals for the Flashers including the winner in the third period. Ron Bruyer and Pat Savage were the other Flasher scorers with Greg Lockert scoring the lone Viking goal. The Klondike Inn Trophy was presented to the Flashers.

PEEWEE A

Pro-Western Pellets won this division with two close wins over the Pacific 66 Pates. Pellets were second place finishers in the league while Pates were in third place. Pellets won the opening game 1-0 on a second period goal by Leo Huot. The final game ended in a 2-1 win for the Pellets and a two game total of 3-1. Gordon McRae scored both Pellet goals while Gerald Rondeau replied for the Pates. The Kinsmen Minor Peewee A Trophy was presented to the winners.

PEEWEE B

This was a very close series between the first place Sharks and second spot Vagabonds. Sharks won the series by a 4-2 score as they won 4-0 and lost 1-0. Doug Soroka scored the only goal in the Vagabonds 1-0 win. In the Sharks 4-0 victory, Brent Bennett, Rob Buttery, Leo Bourbonnais and Todd Millon scored. The Terry Langford Memorial Trophy was presented to the Sharks.

BANTAM A

DCO Flames captured the Kinsmen Trophy for winning this division. Flames won the first game by a 4-3 score and took the series with a 3-1 win in the final over the St. Albert Innkeepers. Nate McCreedy scored a pair of goals in the final game for the Flames with Koji Hiratsuki getting the other. Calvin MacAulay scored for the St. Albert Innkeepers.

BANTAM B

The Community League

Hawks won this division and the Eddy Joyal Trophy with a 5-3 total goal series with the Hutchings Sails. Hawks won the opening game 3-0 on goals by Ricky Mann (2) and Harold Brubaker. Sails came back to win the second game 3-2 but lost the series 5-3. Sails got goals from Kevin Kinney, Layne Wilson and Mark Fraser. Hawks scoring came from Brad Duttal and Barry Thachuk.

MIDGET

This series was played last week with the Red Onion Rebels winning the annual Big Iron Tournament.

JUVENILE

Playoffs in this league involved all three teams played four games each in a round-robin series. LBH, last place finishers in regular league play went through the semi-finals with four straight wins. They took wins of 6-5 and 5-1 over the second place Photo Ident Passports and upset first place Tundra Truckers 6-5 and 4-0. Passports had 4-3 and 5-1 wins over the Truckers who failed to win a game in the playoffs. In the two game total goal series for the championship, Passports won the opening game 4-2 on goals by Matt Gibbon, Wes Kuzio, Dean Bokenfor and Wade Carter. LBH scoring came from Ron Jones and Bruce Muzichuk. The final game saw LBH take a 6-1 win and the Kinsmen Trophy. Garry Muzichuk led the way with a pair of goals while Kirk Ledgerwood, Dale Roy, Ron Gosse, and Steve Lister scored singles. Wade Carter scored the lone Passport goal.

Player trophy winners

SHAVER A

Billy Mitchell of the Lions won the scoring championship for this league with 44 goals and 17 assists and 61 points.

The least scored upon team was the Broncos with 52 goals and Robert Kowalsky was the trophy winner. Dan Swist Jacket donated both trophies.

SHAVER B

Robert Cature of the Bruins was the second leading scorer in the shaver league with 40 goals and 16 assists for 56 points. The goalie award went to Robert McLaughlin of the Lions with 54 goals against. Both trophies were donated by the Kinsmen Club.

MITE A

Michel Poulin was the top scorer for the Saints with 57

goals and 9 assists for 63 points. Michael Wilmons of the Warriors was the least scored upon goalie with 36 against. The Kinsmen donated both trophies.

MITE B

Richard Bruyer from the Flashers won the scoring crown with 49 points on 34 goals and 15 assists. Marcus Rockliff also from the Flashers won the goalie award allowing 36 goals. Both boys received trophies donated by the Kinsmen.

PEEWEE A

Myron Polis was the league's top scorer with 45 goals and 17 assists and 62 points. Teammate Dan Miller won the goalie award allowing 32 goals. The Kinsmen Club donated both trophies. Both played for the Sportshop Barons.

PEEWEE B

John Jennings of the Legion was the top scorer with 41 goals and 6 assists for 47 points. Mike Armour from the Sharks was the top goalie allowing 39 goals. Jennings trophy was donated by the Lions Club and St. Albert Texaco sponsored the goalie award.

BANTAM A

Brian McCann of the DCO Flames won the scoring title with 11 goals and 18 assists for 29 points. Carmen Cook from the Canucks won the goalie award with 42 goals allowed. The Kinsmen Club donated both trophies.

BANTAM B

Shawn Gannon from Chris's Comets captured the scoring crown with 17 goals and 9 assists for 26 points. He received the Auction City Trophy. The Reggie's Hardware award went to Lucien Meunier of the Hawks and Gordon Hutton from the Sails for allowing the least goals.

MIDGET

Blair Iscke from the Red Onion Rebels was the league's leading scorer with 17 goals and an equal amount of assists for 34 points. He received the Kinsmen Trophy. The top goalie also went to a Rebel as Kevin Jennings won the award allowing only 26 goals.

JUVENILE

Wade Carter from the Photo-Ident Passports was the top scorer with 11 goals and 10 assists for 21 points. Jim Starks of Tundra Truckers allowed only 53 goals.

ST. ALBERT RECREATION REPORT

SWIMMING

Spring has been a little late this year. However, the snow and ice are gradually disappearing and the swimming pool in St. Albert is scheduled to open on May 17 a sure sign that summer is just around the corner.

Elsewhere in this issue is an advertisement containing information about season tickets and the admission fees to the pool.

The schedule of activities will be published shortly. As well as the usual public swimming, teen, adult and family sessions are included in the "curriculum" which is always subject to adjustment depending on attendance.

etc., and something new is often added. Every endeavour is made to accommodate as many different age groups and categories as possible.

Under the terms of the Joint Use Agreement between the town and the two school districts, the pool is available to the schools during school hours and the policy adopted by the school boards when the pool opened in 1967 allows many students to have the opportunity to learn to swim. This policy and the regular Red Cross and RLSS classes means that everyone in St. Albert should at least be able to keep their heads above water! The Red Cross classes run in two

week sessions with lessons held daily and all levels of instruction for all ages are offered from adults down to pre-schoolers who learn with their nuns and dads.

New residents may be interested to know that in scheduling the pool, every effort is made to cater for as many age groups and categories as possible.

R.L.S.S. AWARDS

A number of bronze medallions and bars have just arrived at the Department of Recreation in the Town Hall. The following are requested to pick them up as soon as possible: Heather Cummings, Heather McIntyre, Lynda and Tom Benko, Steve Fehr, Chris Rajotte, Larry and Debbie Wilson.

LOST AND FOUND

Articles left at the arena and the outdoor skating rinks during the winter are all at the arena and should be claimed as soon as possible. They include skates, mitts, jackets, all kinds of hockey equipment, scarves, etc.

The arena is open from 7:30 a.m. - 4 p.m., Monday

through Friday.

BASEBALL

Registrations for baseball (boys 8 - 16 years) will be taken at the Department of Recreation till Friday, April 25. After that date NO more registrations will be accepted.

This program is sponsored by the Knights of Columbus and the Lions Club with Mr. Joe Arisman as chairman of the organizing committee. However, these gentlemen need the support of an adequate number of coaches in order to run a satisfactory program and at the moment there are not enough for the number of boys who have registered. Both more coaches and umpires are required, please consider volunteering your services.

SOCCER

Two more coaches are urgently required for the girls' soccer program. Although this fact should be of some concern to parents, there is no reason why "non-parents" should not volunteer. Ann Green will be very pleased to hear from anybody willing to coach a

team of very enthusiastic girls. Phone her at 459-7675.

ARTS AND CRAFTS

A few openings remain in the macrame workshop which will be held in Mission Clubhouse on Saturday and Sunday, April 26 and 27 from 10 a.m. - 12 noon and from 1 - 4 p.m., on each day. Gertrude David will be the instructor and the fee is \$10.00.

Then on Saturday and Sunday, May 10 and 11, a spinning workshop will be held also in Mission Clubhouse - from 9 a.m. - 12 noon and from 1 - 4 p.m. on each day. Pirkko Karvonen, who will instruct, is well known in the area for her weaving and spinning. Participants will be taught how to use the spinning wheel to produce yarn from raw wool, not quite straight off the sheep but very nearly! The cost of this workshop is \$20.00.

For information about these workshops, supplies required, etc. and to register please phone Lois Folkins at 459-7344.

BOYS' SOCCER

Soccer practices will no longer be held in Sir George Simpson and Paul Kane School gymnasiums.

TENNIS

A reminder that registration for the tennis lessons being offered by the St. Albert Tennis Club is scheduled to take place in the Percy Page Recreation Centre, Mission Avenue, on Wednesday, April 23 from 7-8:30 p.m.

Registrations are being accepted on a first come, first serve basis from students of 11 years and over as well as adults.

FIGURE SKATING

The annual meeting and election of officers of the St. Albert Skating Club for the 1975-76 season will take

place on Thursday, April 24 at 7:30 p.m., in Grandin Clubhouse (beside the swimming pool).

Pictures taken at the recent very successful carnival will be on display and orders taken for prints. Reports will be given and there will be time for discussion about events past and plans for the future. It should be an interesting meeting and all parents are invited to attend. Coffee will be served.

DEFENSIVE DRIVING

The next defensive driving course, sponsored by the St. Albert Safety Council, will start on May 6. Sessions will be held for four weeks each Tuesday evening from 7:30 - 9:30 p.m. Registrations will be taken on the first evening and the cost is \$8.00.

LACROSSE

Registration for the lacrosse program for boys up to the age of 14 are being accepted at the Department of Recreation in the Town Hall.

Assistance in administration and coaching in this program would be welcomed. Please phone the Department of Recreation at 459-6601 and volunteer your services.

MOVEMENT AND FITNESS WORKSHOP

A workshop on movement and fitness in young children will be held on May 9, 10 and 11 at the Mayfield Inn. The workshop, sponsored by the provincial government in cooperation with the Edmonton YWCA is open to all persons interested in young children. For further information, please call the Department of Parks and Recreation at 459-6601.

PLAYGROUNDS

A playground program for children of five years and over will be held at five different locations in St. Albert this year. There'll be more about this later.

MORINVILLE MEMOS

By Marg Bentz
Don't forget the minor hockey banquet will be held tonight (Wednesday, April 23) at the Recreation Centre at 6:30 p.m. After the banquet the Central Sturgeon Agricultural Society will be holding a special general meeting to draft a constitution.

On Thursday, April 24 there will be a registration for: T-Ball, fastball and baseball at the arena at 7:30 p.m. A baseball meeting will also be held on Tuesday, April 29 at 8 p.m. at Cunningham School.
All ladies and girls interested in fastball are asked to attend an organizational

meeting on Thursday at 8 p.m., at the Cunningham School. All coaches and other interested parties should attend.

MORINVILLE KINDERGARTEN

A meeting will be held at the Recreation Centre on

April 24 at 7:15 p.m. Mr. Eshpeter, principal of the elementary school, will speak on aspects of religion, French, school rules, reading programs, and give general advice and information.

Don't forget! The annual wine 'n' cheese party, put on by the Morinville Home and School Association, will be

held on Saturday, April 26, in the Morinville Legion Hall at 8 p.m. Everyone is asked to come as this is not restricted to members only.

A pair of children's glasses were found on the street at 9707 - 100 Avenue. Please phone Helen Shriver at 939-4429.

ARENA WIND-UP

Sunday, April 27 is Family Day at the arena. Admission is free! The concession will be closing out and all merchandise will be sold at greatly reduced prices. (Fire sale of the year!) Everything must be sold by 6 p.m. To start the day's events there will be a hockey game between the Shavers and the Oilers at 1 p.m. Public skating will be held from 1:30 - 2:30 p.m. A figure skating display will be presented from 3 - 4 p.m. by the youngsters of our town. Public skating will again take place from 4 - 5. Only those in costumes may skate from 5 - 5:30, at which time token prizes will be given for best costume, most original etc. Come on out and have some fun!

HOCKEY ACTION

There was plenty of late season hockey action this week thanks to our new artificial ice plant. Wednesday, April 16 saw the hard working peewees edged 9-8 by their dads. The father were well penalized except for Ed Kryskow who should have received a speeding summons.

Sunday, April 20 the boys managed to win their four team round-robin tournament in the final game. Morinville trailed 4-1 after the first period but came on to tie Sherwood Park 4-4 on two goal efforts by Jamie Kryskow and Marty Hooper. This brought the hometown total points to 14 for the tournament win. Other competing teams were Gibbons and Spruce Grove. The boys extend their thanks to all the hard working parents involved.

Meantime Saturday, April

19 the Morinville Shavers made a clean sweep of their third annual Shavers Invitational Tournament. The home town boys whipped Riviere Qui Barre 5-1 and 2-1 while beating Beverly Heights 3-1 and 1-0. The other games of this three team double round-robin tournament were won by Beverly Heights. Rick Mulligan scored the most goals of the duel (6). Other Morinville scorers were David Shriver (2), while Neil Bokenfloh, Jeff White and Ray Wood notched singles. Todd Bland, Casey Bentz and Jay Enright rounded out the point-getting with an assist each. This is the third year running the tykes have won the trophy. They certainly deserve our congratulations for their successful season as do the many organizers, helpers and coaches.

OLDTIMERS

The Oldtimers tied Spruce Grove 8-8 on Sunday night. Next week they will ease out the season with a four team double knockout affair. Game times as follows:

Friday, April 25 - 8 p.m., Morinville vs. Leduc.
Saturday, April 26 - 10 a.m., Bon Accord vs. Spruce Grove; Sat. April 26 - 1 p.m., Losers vs. Losers; Sat. April 26 - 4 p.m., Winners vs. Winners; Sat. April 26 - 8 p.m. Winners of 1 p.m. game vs winners of 4 p.m. game.

Bill and Liz Emmerzael have been transferred to Wetaskiwin. Bill is an employee of Plains Western Gas and is already down there. Liz works at the Grandin Medical Clinic, Morinville and will be joining Bill May 1st. Good luck in their new home. Bob Clark from St. Paul will be replacing Bill at Plains Western.

Readers co-operation in telephoning or bringing news items is much appreciated, and as early in the week as possible. Please phone 939-4445, or drop-off at 9901 - 99 Avenue (one block east of Butt's Auto Body).

Goldenagers welcome visitors

By Liz McLeod
The senior citizens of Calahoo gathered in the Gazebo on Wednesday, April 9 at 1:30 p.m., for a pleasant afternoon.

This day saw 29 members and since Villeneuve Seniors were invited, 12 happy folks joined ours and a form of court whist was arranged, where you moved after every hand, and to make things more amusing, used their own variance.

John Groppe, Cyril Borle and Myles Kerr had to cut for the men's high and drawing an ace made Myles the winner, with the boogie going to Luke Majeau.

The ladies high was won by Rita Soetaert with low score going to Thelma Vieu.

Then, since in every first meeting of the month, members donate a bingo prize so the monies can go into the kitty, they played bingo till it

was time for lunch, and then a very happy time was spent.

Emelia Schermund, Vance Berry and Carl Bergstreiser had their birthday cakes lit and before them while happy birthday was sung and the names of Oscar Campeau, Dolly Majeau, Charles Seely and John LaFleur though absent, were made known as they too had birthdays after which it was discovered that visitors, Felina Borle, George Soetaert

and Cyril Borle also were celebrating birthdays so as each one was made known happy birthday was sung to them.

All in all a most pleasant afternoon was realized and all felt they were richer because of this warmth and understanding that is always shared and enjoyed by each one.

These happy seniors will again meet on Wednesday, April 23 at 1:30 p.m., and visitors are always welcome.

START YOUR BACKYARD GROWING AND FIGHT INFLATION AT THE SAME TIME.

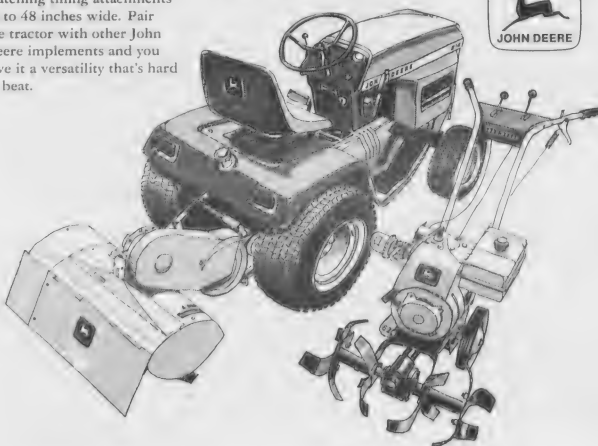

Growing your own vegetables means you can save dollars on your yearly food bill. But it can also cut into your leisure time with a lot of extra work. And that's where John Deere gardening equipment can lighten your growing pains.

If you're planting a lot, a John Deere Lawn and Garden Tractor gives you all the work capacity you need. Choose from six models. From 8 to 19.9 h.p. with matching tilling attachments 30 to 48 inches wide. Pair the tractor with other John Deere implements and you give it a versatility that's hard to beat.

Then if you're planting a little less, you'll be interested in a John Deere Rotary Tiller. Available in 3 1/2 or 6 h.p. size, it'll work your soil to the desired depth in tilling widths of 13 to 24 inches. And this width may be extended to a full 34 inches with optional extension tines.

So whatever suits your growing needs best—a John Deere Lawn and Garden Tractor or Rotary Tiller—

they're both built with quality and reliability that's become a tradition. A tradition backed by John Deere dealers all across Canada who offer what you would expect from John Deere: expert service, outstanding parts availability, and convenient financing. That's why people say, "Nothing runs like a Deere".

Morinville Seniors enjoy party & visit

By Dorothy Daignault
Our Friday evening party had a good turnout; eight tables were filled for whist. The first prize winners were Mrs. Hermine Houle and Mr. Gerard Rousseau and

booby prizes were given to Mrs. Alice St. Germain and Mr. Lucien Beaupre. The door prize donated by Mr. Gerard Pelletier was also won by Mr. Lucien Beaupre. The winners at bingo

were: Mrs. Frank Vervynck, Mrs. St. Germain, Mrs. Rose Weiss, Mr. Gerard Rousseau, and Mr. Lucien Beaupre. It isn't at every party that one gets to win three prizes and Lucien was very happy. Congratulations!

A delicious lunch was served.

Our last party for the spring will be held May 9 at 8 p.m., at the Rendez-vous Club. A special treat is in store for you. Strawberry shortcake for dessert will be

served. Watch for the date in the Lion's Calendar for May.

After that we shall be looking forward to our summer outings, fishing, and picnicking on some of our summer resort beaches.

VISIT TO 60 ROSES ENJOYED

Our senior citizens were kindly invited by the Sixty Roses Club to spend Wednesday afternoon April 16 at their clubhouse in Legal. There we joined the senior citizens from Bon Accord and some of the citizens from Chateau Sturgeon. The ladies from the Chateau are very capable of doing beautiful arts and crafts. A large

display of articles were shown: a quilt was set up on a quilting frame, beautifully dressed dolls, knitting in wool, crochet, designs in quilt blocks were artistically worked out for cushion and many more articles were admired.

We met old friends and renewed acquaintances. The gentlemen had a chance to play pool and billiard, others played cards.

We were served a delicious lunch in their very large and attractive dining room.

We wish to thank most sincerely the members of the Sixty Roses Club for a pleasant afternoon and for such a delicious lunch.

Sturgeon Regional Recreation Report

REC FEST '75 IN NAMAO

This year the annual Sturgeon Regional Recreation Festival "Rec Fest '75" will be hosted by Namao, in conjunction with their gymkhana and horse show. The dates have been set for June 7 and 8, and it promises to be a gala weekend. There will be an Arts and Crafts show, bigger than ever this year, with handicrafts being offered for sale at the end of the show. In cameo spots throughout the event will be such features as presentations from Sturgeon's own Ukrainian dancers from Cor-

onado, under the direction of Mr. John Eshenko. Special films will be shown for the entertainment of children and the Namao 60 Plus Club are sponsoring "Cards and Games" for the pleasure of visitors. Plan to spend Farmer's Day weekend in Namao!

COURSES STARTING

One Day "Mini" course in crocheting in Lamoureux on Tuesday, April 22, 10 - 3:30. Phone Mrs. Madsen 998-4713, for information. Instructor Mrs. Peggy Wenzel.

Creative Dance for children in Legal on Tuesday, April 22. Phone Dee Dee

McLean 961-2519 for information.

Sewing in Evergreen starting at 7:30 on Tuesday, April 22. Instructor Mrs. Norma Clark. Phone Mrs. Drewry 799-7465 for information.

ON DISPLAY

An exhibition until May 4 in the offices of Sturgeon Regional Recreation in Morinville is an exhibition of 14 watercolors by Rick Berg of Red Deer and Edmonton. Rick has had no formal training but by keen observation and by studying the technique of others he has produced some excellent

work. Rick strives for realism and his paintings of Wildlife are outstanding. Come and see his paintings. This young man really has talent.

If any groups wish to stage exhibitions of art or other handicrafts in the Sturgeon Regional Recreation offices, you are welcome to do so.

VIMY NEWS

By Darlene Provencal
Mr. Albreda Fortier spent two days last week participating in a seminar parts school at Le Chateau Louis Motor Inn. Albreda works for Starr Implements in Westlock.

Roland Limoges, Richard Limoges, and Ken Banner left early Monday morning, April 14, motoring to California for approximately two weeks. They are to bring back a truck load of bees. Good luck!!

Get well wishes are being sent to Miss Debbie Henderson who is now home from the hospital recuperating from a tonsilectomy.

The people who attended swimming classes every Monday in Edmonton at the Victoria Pool, report that it was a very successful course. On Monday, being the last night, they received their badges, and they are all very enthusiastic to see these classes continue again next winter. These classes were made available through the Regional Recreation Board in Westlock. In the meantime, summer is coming and I'm sure they'll all be out at the lakes practicing what they've learned.

Mr. and Mrs. Ed Sabourin, Mr. and Mrs. G. Caouette, and Roger Sabourin spent a day last week ice-fishing at Lawrence Lake. Luck wasn't with them though because after a day of trying, they only came home with one.

Roy and Merle Cunningham

am, and daughter, Annette, left Wednesday afternoon to spend a few weeks motoring into B.C. They plan to visit Merle's brother in Campbell River.

Mike Hein of Grande Prairie was in the district one evening this week visiting briefly with family and friends. He was in Edmonton for the week, taking a business course.

Election - Morinville council

An election will be held in the Morinville Centre May 7 for the vacant place on Morinville town council.

The vacant spot on town council occurred with the death last December of councillor Vince Curtiss.

There are three candidates for the vacant spot following

nominations April 9. They are: former councillor and highways foreman Roger Champagne, salesman David Phillips and house contractor Eugene Geoffroy all of Morinville.

Times for the election will be from 10 a.m. - 8 p.m. at the recreation centre.

Sturgeon Heights School was one of the few rural schools to participate in the Edmonton Regional Science Fair this past weekend. Pictured above are three of the school's representatives, Janice Kuhn, Carmen Cassidy and Sharon Maine with their project entitled "Is the Environment a Closed System?" A total of 26 students from Sturgeon Heights gained experience by joining the more than 300 participants in the event held at M. E. LaZerte High School.

Legal hockey banquet features Len Haley

By Lucienne Montpelli
The father and son, mother and daughter banquet was held last Friday evening for the minor hockey Remi-Cyr, Grand Knight said grace and the master of ceremonies, Leon Brisson (president of the R.C. Board) welcomed everyone especially the guests Mr. Len Comei Haley, guest speaker and Mr. Laurent Coulombe, superintendent for the Sturgeon Regional.

Remi Cyr was asked to speak on behalf of the K of C. He told the boys there was a good number of trophies to be given out and this was the objective of the evening. Playing hockey for six months of the year demands a lot of time from the coaches, trainers and most of all your fathers. You should thank them and continue to enjoy it. I hope you realize that it's because of your parents if you are playing the game.

Rene Maurier, president of the Sturgeon Minor League was happy the year had come to an end. There is a lot of work involved especially when you have to reschedule games because of melting ice etc. He hopes that the league will improve minor hockey

week and regardless if the boys are good players or not that they are entitled to play as much as the older because the aim of the league is to make better boys and sportsmen.

On behalf of the R.C. Board Leon recognized the caretakers, Henri Garneau, Henry Chalifoux and Claude Maurier. He also thanked the mothers who prepared and served the delicious meal also all those who kept the concession booth in the arena opened.

LEN HALEY SPEAKS

Mr. Len Haley owner of the Sturgeon Arena, who is the summer hockey league and has a regular hockey school, addressed the gathering. He told the boys that hockey now is bigger and better than it ever was. He says that Canadian people hadn't realized it till they played the Russians. The calibre of hockey is more organized, there is improvement in players and now you can make a very living out of the game. Playing this sport develops your personality and helps you to communicate and make friends with others a lot easier. Girls can

play the game as well as boys.

There is one thing you should keep in mind that your stick is like a weapon and it should be kept below the shoulders at all times. It is important that coaches attend clinics.

Give a chance to the poor skater put him with the good players and he will learn from the others and try harder to become better. Hockey is hard work and many of you will receive

trophies this evening and you will be proud and happy that you did your best and you played to win.

Roger St. Martin, the hockey co-ordinator for the past two years, thanked everyone who helped and for their co-operation.

TROPHY PRESENTATIONS

Leon called on the coaches to present the trophies. Shaver - Coach Laurier Rivard - (Denis Limoge and Maurice (helpers)) - M.V.P. -

Robert Chamberland (goalie) best defence - Gilbert Montpelli; most improved - Jamie Frank.

Mites Co-op - Coach Terry Frazer - Bob Parent, manager; M.V.P. - Mark Pelletier; B.D. - Gerald Parent; M. Imp. - Leon Prefontaine.

Mites - Legal Hotel - Coach Ray Ouellette and Manager Laurent Maurier; M.V.P. - Nicki Golden; B.D. - Robert Cyr; M. Imp. - Andre Maurier.

Peewee - Coach Robert Chauvet; M.V.P. - Wally Fizer; B.D. - Richard St. Jean; M. Imp. - Robert Hickie.

Bantams - Coach Liz Pelletier; M.V.P. - Danny Pelletier; B.D. - Denis Brissan; M. Imp. - Larry Roulston. Valuable players - Richard Nault and Andre Coulombe.

Juveniles - Coach Gerald St. Martin, Manager Dan St. Martin and Trainer Danny Prefontaine; M.V.P. - Mike

Gagne; B.D. - Art Bilodeau; M. Imp. - Louis Pelletier and Roger Coulombe. On behalf of the team Captain Leonard Brisson presented trophies to the coach, manager and trainer.

Coach for the girls team was Frank Klassen. He introduced the girls, being that the team was organized after Christmas he said all the girls were of equal importance. Loretta Fizer presented a plaque and a token of appreciation on behalf of the girls. Many thanks to Mr. Klassen for his time and interest in getting a girl's team going.

Leon thanked the sponsors of the teams - Legal Hotel, Legal Motors, Dan's Hi-Way Service, Legal Co-op and the K of C, also all those who donated trophies and donations of food for the banquet. Special thanks to all the coaches and managers who gave so much of their time for minor hockey.

Paulette Clouthier showered

By Lucienne Montpelli

A miscellaneous shower was held in honour of Miss Paulette Clouthier on Sunday afternoon at the Community Hall.

Hostesses Jocelyne Chamberland, Marie Charrois and Susan Chalifoux had decorated the hall with balloons and raindrops falling gently from the inverted umbrellas hanging from the ceiling. The air of spring was in the hall with the beautiful pussy willows and floral arrangements.

The hostesses entertained their guests with a number of fun games. The door prize winner was Mrs. June Charrois.

Before the opening of the gifts Marie told the guests that it was also Paulette's birthday and everyone joined in to sing happy birthday.

Jocelyne then walked in with a decorated wheelbarrow full of unlabelled canned foods. It should be fun to guess the contents of the cans when you wish to open one eh Paulette!

Seated at the head table was Mrs. Napoleon Belle, grandmother of the groom, Mrs. John Meysenbourg, grandmother of the bride, Mrs. Paul Clouthier the bride's mother and Mrs. Dick Hunting the groom's mother.

Paulette received many beautiful and useful gifts and she sincerely thanked everyone, also her bridesmaid for organizing that lovely shower for her.

A delicious lunch ended a very pleasant afternoon.

Paulette will exchange marriage vows with Jim Hunting on May 3 at St. Emile's Church.

Club 60 Roses entertains

By Lucienne Montpelli

The Club 60 Roses hosted a social afternoon on April 16 for senior citizens from Morinville and Bon Accord. Numbered name tags were given at the door, making it

easier to get acquainted and gave them a chance for the door prize. Everyone participated in the sing songs, others told jokes and renewed old acquaintances.

The 95 enthusiastic and happy citizens thoroughly enjoyed their afternoon.

Miss Jean Sloan from Bon Accord won the door prize.

A delicious lunch was served bringing a very pleasant afternoon to an end. Those who visited the Club for the first time were much impressed.

The members wish to thank the 23 citizens from Morinville and the 19 citizens from Bon Accord who responded so well to their invitation, and to the local members who came to greet their guests. They hope to meet again with the neighbouring senior citizens soon.

Notice of Poll

MUNICIPAL ELECTIONS
1975

TOWN OF MORINVILLE

PUBLIC NOTICE is hereby given that polling will take place for the election of one councillor on Wednesday, the 7th day of May, 1975, from 10 o'clock in the forenoon until 8 o'clock in the afternoon at the following place: Morinville Centre (10010 - 101 Avenue), and that I will at Town Office on Friday, the 9th day of May, 1975 at 11 o'clock in the forenoon sum up the votes and declare the results of the election.

GIVEN under my hand at Morinville this 10th day of April, 1975.

PAULE E. BROCHU,
RETURNING OFFICER.

RAPESEED

Production Contracts available now from

CANBRA FOODS

Box 99
LETHBRIDGE
Phone 327-5781

Rapeseed growers are finding that one of the major benefits of contracting their rapeseed with Canbra Foods Ltd. is guaranteed delivery. Contract holders are not handicapped by gluts of other grains, transportation tie-ups or port strikes. Canbra is able to take rapeseed on a continuous and regular basis so growers can be accommodated almost any time.

1975 Canbra Rapeseed Production Contracts also offer growers two brand new features this year. Growers will share in any Patronage Refund declared by the Company and growers can defer payment for their seed requirements until the time of settlement. Two more good reasons to sign a Canbra Rapeseed Production Contract today.

Barley Growers:
Now, more than ever before, every extra bushel counts in market profits!

This year, don't let wild oats rob you of those profits. Give them a knock-out punch with **AVENGE® Wild Oat Herbicide!**

AVENGE® for Control of Wild Oats in Barley
Even light infestations of 1-10 wild oat plants per square foot may cause severe barley yield losses which, if saved, would more than pay for the cost of control.

AVENGE® 200-C Herbicide gives excellent control of wild oats when applied from the 3-6 leaf stage of the weed — a wide flexibility of timing of application.

So this year start to rid your fields of wild oats, increase your barley yields and save on dockage at market.

AVENGE® Wild Oat Control for Barley Growers!

Prizes presented to winners - vocation contest

Parish winners (runners-up) in the vocation contest held recently in Legal with their trophies: Elizabeth Doblanko, Susan Frank, Agnes Blanchette, Angeline Auger, Suzanne Maurier, Paulette Dube, Therese de Champlain, Barbara Shank, Paulette Chauvet and Theodore Zilinski.

The annual vocation contest sponsored by Le Mouvement des Femmes Chretiennes was again a great success this year.

The judging of these contests took place in Bonnyville and four pupils in our school were declared winners at the diocesan level: Rollande Berube, Grade XI; Carmen Nault, Grade VIII; Wendy Cornelis, Grade IV; Brenda L. Hills, Grade II.

Mrs. Paul Cloutier, presidente du Mouvement des Femmes Chretiennes at Legal presented the winners with travel alarm clocks. She presented the runners up with trophies.

Agnes Blanchette, Ange-

line Auger, Susan Frank, Suzanne Maurier, Elizabeth Doblanko, Paulette Dube, Therese de Champlain, Barbara Shank, Paulette Chauvet, Theodore Zilinski.

The school presented a money prize to the second runners up Mr. D. J. Keane, principal made these presentations to: Ken Lukianchuk, Madeleine Laforce, Jocelyne de Champlain, Richard Nault, Marlene Champagne, Loretta Fizer, Corinne Prefontaine, Marie St. Jean, Gerald Deslauriers, Dolores Tieulie, Robert Proulx, John Cshany, Cheryl Champagne, Jamie Frank, Jonathan Klassen and Ernest Letourneau.

The pupils are to be commended for the wonderful work they handed in.

Diocesan winners in the vocation contest sponsored by Femmes Chretiennes in Legal: Rollande Berube, Wendy Cornelis, Brenda L. Hills, Carmen Nault and Mrs. Paul Cloutier, Presidente des Femmes Chretiennes.

Congratulations to the winners and to all who participated.

Special thanks to the teachers who encouraged and helped the pupils with

these projects.

The booklets are displayed at the back of the church. It is hoped that everyone will take the opportunity to look at them.

Liaison secretariat

Shirley Meyer has been appointed to Alberta Agriculture's Policy and Liaison Secretariat. Her appointment was announced by Dr. J. E. Wiebe, chairman of the secretariat.

As a member of the secretariat, Miss Meyers will act as a liaison between it and women's groups and organizations in the province. She will also make policy recommendations on issues related to women's groups and organizations.

Miss Meyers grew up in Penticton, British Columbia, and attended the University of British Columbia. She graduated in 1960 with a Bachelor of Home Economics degree. She then joined Alberta Agriculture and for the next six years was district home economist at Grande

Prairie. Following this she spent a year teaching high school in Whitehorse, in the Yukon. The next three years were spent in Edson as a home development specialist where she worked under the ARDA Rural Development Home Visitor Program. At one point she was 4H supervisor and head of Alberta Agriculture's home economists.

Miss Meyers obtained a Master of Science degree from Iowa State University in 1970, having majored in Family Environment.

Since 1972 until her present appointment she was regional home management specialist in Calgary and resource specialist to district home economists and other government agencies in that city.

Sister graduates in city police

Just back from a planning conference in Vancouver, MD of Sturgeon Councillor Lawrence Kluthe was a busy man last Friday.

After chairing the Manawan Drainage District's annual meeting at the Morinville Centre he had to nip quickly down to Ed-

monton where his 23 year old sister Marilyn was graduating into the Edmonton City Police Force.

Marilyn was one of five women graduates among a total of 17 graduating from the 40th class of city police recruits. Mr. Kluthe said that this was the largest percentage of females so far in any graduating class.

Baseball registration for boys aged 8-18 years will be held Monday, April 28, from 7 to 9 p.m., in the Gazebo or the Church. Registration fee is \$1.00.

Anyone interested in hockey school at Enoch for summer months, can also register the same night or phone Emile Berube at 459-5645.

INCORPORATE MORE LEGUMES IN CROPPING

In these days of high fertilizer prices, it might be an idea to incorporate more legumes in your cropping program, because of their ability to fix nitrogen in the soil and to improve its structure.

Len Paulovich, district agriculturist at Manning, points out that legumes vary in their ability to take nitrogen from the air and fix it into the soil. Alfalfa fixes the most nitrogen, followed in descending order of ability by sweet-clover, red clover, alsike clover, soybeans, hairy vetch, field beans and field peas.

Mr. Paulovich recommends inoculating all legume seed before planting to ensure that it will fix the nitrogen in the soil. The rhizobium bacteria that must be present for nitrogen fixing may be in the soil; but then

again, they may not.

Although a specific inoculant may not produce nitrogen fixing modules on all legumes, the legumes can be divided in various cross inoculation groups so that a specific inoculant will be effective on all the species in that group.

Mr. Paulovich also recommends a soil test to find out the PH status of your soil, since legume plants and nitrogen fixing bacteria are both sensitive to soil acidity. In general, the more acidic the soil, the poorer will be the performance of the plant and the smaller the amount of nitrogen fixed. Alfalfa and sweet-clover are the most sensitive of all the legumes to soil acidity. Decreased performance will be noted at the PH 6 level and lower. Red clover is the most tolerant to soil acidity, followed closely by alsike.

Grasshopper damage may get further north this year

If the weather co-operates, 1975 will be the fifth consecutive year that grasshopper infestations have increased since the very low infestation record in 1970. Hot dry weather during the time the crops are germinating will enable the grasshopper eggs to hatch rapidly and unless controlled, the young hoppers will move into the crops at the stage of development when the crops can least withstand an attack.

If on the other hand the spring is cool and wet, hatching will be delayed with the young hoppers moving into the crops more slowly.

In this case the crops will have a better chance of withstanding the onslaught.

Although the area north of Edmonton has not yet been surveyed, reports indicate that grasshopper damage this year may extend as far north as Bonnyville and Lac la Biche.

In the past neither of these areas have usually been affected.

The weather this spring will have the final say as to whether or not grasshoppers pose a greater threat to Alberta crops this year than was the case during the past 10 years.

Figures released by Alberta Agriculture show that a total of 27,468 square miles may be infested on a scale light to severe, 3,268 square miles up on the 1974 figure.

Report From Bon Accord

By Sadie Allen

A playschool organization meeting was held on April 14 with a very good turnout of interested mothers. The elected executive are: Pres. Sandra McDougall; V.P. Pauline Mansfield; Sec. Linda Fearnley; Treas. Donna Popjes; roster committee - Edie Rains and Doreen Moore; field trip chairman - Lois O'Brien. The next meeting is slated for May 22 in the Bon Accord Community Centre with registration for playschool, Tiny Tots and Mother's Day Out at 7:30. Jean Smith from the

Regional Recreation at Morinville will be present with a guest speaker also present. The organization are planning a sale of plants and home baking to be held at the Bon Accord Community Centre on May 24 from 2 - 5 p.m. Anyone wishing to donate plant slips or perennials may leave them at Lois O'Brien's, 4916 - 51 Avenue.

Registration for senior ladies softball was held on April 21. If you are interested and missed registration, contact Sandy Herd, 921-

3610, or John West, 921-3638. Registration fee is \$3.00.

Sympathy of the district is extended to the Mulligan family for the loss of their mother, Mrs. Phyllis Mulligan.

AG SOCIETY AUCTION

Despite an unco-operative weatherman, the first annual community auction sale sponsored by Bon Accord and District Ag Society was a great success. A very special thank you is extended to Earl

Leeder and Associates, Auctioneers, who volunteered their services for the sale, and to Bon Accord Industries and Keith Whitson's Village Superette for the use of their facilities. A long list of thank yous must go out to the board members and volunteers who helped to set up the sale, concession booth help, to all the donors of goodies to the booth and to the French Potato Farm for their donation of potatoes for the french fries and to the ladies of the Community Club who supervised the warming of buns, cooking of hamburgers and making of coffee in the hall kitchen. Of course there could be no sale without the sellers and buyers, so thank you too!

BEEF RAFFLE

Tickets on the 600 - 700 live weight grain fed beef donated by Ray Rigney to Ag. Society are now on sale and may be purchased from members of the board. The society are giving \$10 to the seller of the winning ticket and anyone wishing to sell tickets should contact Pat Reichle, 921-3535. The draw will be made on June 21 at the official Dairy Goat Show scheduled for that date. For information about the show, anyone interested may call Ethel Samis 921-2424.

Nineteen members of the Bon Accord senior citizens enjoyed a social afternoon and tea as guests of the Club 60 Roses at Legal on April 16. We thank you for your hospitality.

Congratulations and many happy returns of the day are extended to Mrs. Estelle Beals the occasion of her 87th birthday on April 26.

Tickets on the 10 speed bike being raffled by the Parents' Association and Cubs and Scouts are still available from any of the boys or parents group.

Surplus pies that were donated for the booth at the auction sale were donated to the #524 Cadet squad for

their Pic Shoot held on April 20th.

BLOOD DONOR CLINIC

Blood donors are reminded of the Blood Donor Clinic which will be held in the Bon Accord Community Centre from 6 - 9 p.m., on Tuesday, April 29. It is important that everyone who is able to do so should give his/her support to this most vital service.

The Brownie and Guide mother and daughter banquet will be held in the Bon Accord Community Centre on Friday, May 2 at 7 p.m.

LADIES CLUB

The Ladies Community Club held their April meeting

at the home of Doreen Hewitt with Pauline Mansfield winning the hussies prize. The next meeting will be held at the home of Linda Johnson on May 14. The club's annual outing is planned for May 6. The ladies are being kept busy catering for weddings; and supplied the meal for the senior hockey, softball and baseball dance held on April 19.

A shower in honour of Fac Strawnson will be held in the Community Centre clubroom on Thursday, April 24.

The Red Cross Blood Transfusion Service will be holding a Blood Donors Clinic in the Bon Accord Community Centre on Tuesday, April 29 from 6 - 9 p.m.

Gibbons News

By Shirley Stelnwand

Congratulations to the Fort Saskatchewan A & W Nickel Kings and coach Frank Peden who have won the Alberta Provincial Donna B championship. Two Gibbons district boys, Brad Spence and Mar Boisjoli played with the team.

The Kings have successfully defeated St. Paul, Elvinstown, Grande Prairie, Drumheller and Stettler in a two-game total point series to become provincial champs. The final game was played against Stettler on April 12, in Fort Saskatchewan before a large home-town crowd. The provincial trophy was presented to the team immediately after the game.

The Nickel Kings also

were entered in the Taber 28 team, fifth annual pee-wee hockey tournament on March 27 - 31. They defeated Brooks, Taber, Vauxhall and Trochu to win the "B" event. The team was presented with the Taber annual trophy and individual trophies as well. The Nickel Kings received the best defenseman and the most valuable player trophies.

The parent committee for Cubs and Scouts held a meeting on Wednesday, March 16 at the Community Hall. There were 12 members in attendance.

Shirley Olson agreed to take over as secretary until the end of June, as Shirley Rurak is leaving.

Various means of fund raising were discussed and it was agreed that the parents committee will hold a strawberry tea and bake sale on Saturday, May 31 at the Community Hall.

Cubmaster, Jim Nault had several requests. Permission was given to Mr. Nault to purchase a Canadian flag and a soccer ball. He will be reimbursed out of the parent committee funds.

As no volunteers have come forward to assist Gary Cuthbert and Jim Nault, a duty roster will be drawn up for each week. These will be going out shortly. If parents do not show up for roster duty, their child will be sent home from Cubs and Scouts.

Jim also would like to remind all parents that even though your son has not attended every meeting, he must still pay his dues.

Maurice Bilsbarrow was elected chairman of the camp committee. Liz Rains will assist with menu's for camp.

Cub camp was discussed at length, and a camp will be set for sometime in June if accommodations can be found.

ATTENTION

The Sunday School plant sale will be held on Saturday, May 24, in the Sunday School Building. **NOT** May 4 as previously reported.

Allegations of tampering with Manawan Ditch control gate during stormy annual meeting

Hanky panky with the Manawan Drainage Ditch control gate, and a threat by the chairman to leave the annual drainage district meeting if the "fighting" did not stop.

Those were some of the highlights of the Manawan Drainage District's annual meeting at the Morinville Centre, April 18 as about 50 people discussed ways of improving the drainage system and the lot of farmers affected by it. Also at the meeting three candidates (one incumbent) came forward for the two vacant positions on the Board and five resolutions were formulated to help tackle Manawan Drainage problems. One resolution was lost.

As the meeting got underway, there was free discussion about drainage problems as farmers told the Drainage

Board and two representatives from the Department of the Environment Al Lang and Lawrence Hermanutz of their problems.

But at one point things did seem to get out of hand as suggestions and counter suggestions came thick and fast making it almost impossible for chairman of the meeting Lawrence Kluthe to take each point in order.

"If you are not happy with what the Board is doing, I can leave at any time; I have no desire to referee a fight," intervened Mr. Kluthe. "If you are unhappy, two positions on the three man board are vacant and this is the time for change."

Apart from heavy run off over the past five years, Mr. Kluthe pointed out that another cause of flooding along the Manawan Drainage system was that someone had been tampering with

the control gate. And the allegation was also made from the floor that whoever was opening the gate was doing so to suit his own needs. The suggestion was then made that someone should be put in charge of the gate on a 24 hour basis; the RCMP came up as favourites for that job and this suggestion dispelled the tenor of the meeting.

As farmers told the story of land being lost to the capricious fluctuations of the Manawan Lake the Department of the Environment was asked what was being done to improve the situation.

They were told that the provincial government was looking at a \$150,000 improvement program which would involve the widening and regrading of the ditch, replacing culverts, putting in crossings and building two drop structures to control

erosion. The improvement program will be over a five year period and the meeting was told that as work on the ditch progressed - a mile and a half of improvements was completed last year - the government could extend its grant aid by another \$175,000.

Mr. Hermanutz also told the meeting that the government would purchase land on an individual application basis up to the 2296 contour level.

\$30,000 was spent on ditch improvements last year and spoil or dirt banks along sections of the canal will be levelled off this year.

A culvert put in last fall at the Manawan Lake dam (SE - 33-56-25) and felt to be inadequate as a water level control brought one motion from the floor that it should be removed by April 30 this year or else the ratepayers

would have the right to remove it themselves. This motion was lost.

Four other resolutions were carried. The first was that the dam should be operated by the Board as in the past with as much water flowing without flooding. Another resolution called for the Board and the Department of the Environment to investigate the possibility of Morinville being reassessed to make a larger contribution to work on the Manawan system. It was pointed out that that town gets its water free from Manawan Lake, as the Board has an agreement with the town to supply Morinville up to the 3,500 population level.

A second motion carried was that the Board should inspect the ditch annually following run-off at least and make a report at the annual meeting.

Before the next motion was made, following an argument on whether or not extensions should be completed before the main outlet was finished, a ratepayer asked: "Why not get the

ditch done right now - we'll have five more meetings like this one and we'll be digging as fast as we're filling."

Mr. Kluthe said that this was worth considering by the Board and a motion that the board be instructed to incur a minimum of expenditure on extensions till the main ditch was completed was carried.

With Paul Cloutier stepping down from the Board, and Robert Keiser deciding to run again, Rene Maurier and Roger Vansevenandt stepped into the running for the vacant board position.

Following are the results of the election: Mr. Keiser, 37 votes, Mr. Vansevenandt, 35, and Mr. Maurier 27. Mr. Keiser will have a three year term on the drainage board and Mr. Vansevenandt two.

Yvonne Vranas was Returning Officer for the Board election and Dorothy Dubord Deputy Returning Officer.

A copy of the board's financial statement was available at the meeting and this showed total assets to the drainage district of \$42,701 for 1974 and an actual surplus of \$19,828.

ERPC and MD Sturgeon represented at BC planning conference

Two members of the MD of Sturgeon council joined 3,000 urban planners at a major planning conference in Vancouver, B.C., April 12 - 17.

Attending the American Society of Planning officials and the Community Planning Association of Canada conference were Lawrence Kluthe representing the Edmonton Regional Planning Commission and Clay Crozier the MD of Sturgeon.

The theme of the conference - sharing space from neighbourhood to continent - reflected the growing recognition that "special resources are finite" and that planning must be thought out accordingly.

The conference also showed that sharing relates to many issues: sharing decision making among the various levels of government and between government officials and citizens, re-

solving conflicts between regional and neighbourhood needs and educating for effective participation in planning processes.

After returning from the conference Mr. Kluthe said Saturday that the overriding theme of the conference was the concern for the preservation of agricultural land, the general concern for this across the whole North American continent, and how to deal with it.

Mr. Kluthe pointed out that while the ERPC has adopted the policy of restricting subdivision on the better kinds of agricultural land, there is no precise provincial legislation as yet, mapped out on this, though there is the

Land Forum for making recommendations to the government on this point.

He said that the BC Government, in an effort to protect the environment, had introduced new legislation prohibiting any development on grades one, two, three and four - agricultural soil. It also came up at the conference that in the United States, again as a protection device, the state is now acquiring land rights from developers.

Mr. Kluthe said that the conference was structured in such a way that you had to choose which topic you were interested in and follow it through day by day at mobile workshops.

Calahoo W.I. meets publishers

By Liz McLeod

Still on their quest in getting closer to sending the material to the publishers, the Calahoo Women's Institute held a meeting at Emelia Schmermund's home on Monday, April 14 to meet with Ron Blair and Dave McKnight, representing D. W. Friesen and Sons Ltd., to gain more insight as to procedure and prices in getting Calahoo's history into a hard covered book to cherish. In this workshop where Mr. and Mrs. J. Thatcher, Mr. and Mrs. M. Kerr, Mr. and Mrs. V. Albrecht, Mr. and Mrs. V. Berry, Mary Dalheim, Marg

Douglas, Alice Schmermund and Liz McLeod with the hostess and Barry, Michael and Scott Thatcher, a wealth of information was gained and now this group must ponder and decide and take that big step forward hoping the financing will keep pace and we can see this to completion.

It would really help to have people who wish to purchase a book, make it known to the WI and place a down payment on same.

Anyway a delightful evening was spent getting to know our guests and enjoying a fine visit.

Calahoo church party enjoyed by crowd

By Liz McLeod

St. Catherine's Church at Calahoo supper-dance, held in the Calahoo arena April 12, turned out to be the greatest event so far.

My oh my, all that good food, prepared and served by the Parish ladies, and so attractively placed on the buffet tables was certainly enjoyed by the near capacity crowd who gathered from far and near to enjoy each other's company and the fine agenda that followed.

With Tom Tusor, (Sharon Krupa's hubby) as master of ceremonies, and better known as Tom Steele C.J.C.A. announcer, Tom first announced the winners of the door prizes who were Don Watson (newcomer to Calahoo) and Luke Majeau.

Then as the dancing continued there were many

requests for wishing folks happy anniversary and happy birthday and a special happy birthday to the young folks over 70 years of age by The ? Marks, who provided this good music.

Later and during the course of this delightful evening there were three spot dance prizes given and the lucky couples each time were Francis and Laurette Kramps, Marvin Larson and his girlfriend Leona, and Ken Thatcher and Martha Schafers.

Previously and during the evening, tickets were sold on the market hog which was donated by Jim Verbeek and when this draw was made Sharon Gosset's name was pulled out of the barrel.

The hall was attractively decorated with spring bouquets and on the tables

dainty little flowers and a candle lit in a low jar made a pretty picture.

It was a pleasure to meet with so many former residents who came to enjoy togetherness as well as supporting the Church in their aim to purchase a new organ.

A welcome home rang out for George and Mary Rohweiller, who have just returned from Jakarta, and after the dance was ended, a welcome home party was arranged at the Gazebo.

George and Mary and the children are staying with Mary's mother, Mrs. Gerie MacDonald in Stony Plain

presently.

It was so nice to have Syd and Lucienne (Vader) Wright from Mayerihorpe in our midst as well as Lawrence Callihoo.

I'm sure Earl Nault feels better with the cast removed off his arm, as does David Roddick, walking again, after the cast removed from his leg.

I do hope folks are remembering the upcoming May 3 car raffle and supper-dance in the arena at Calahoo, and tickets are available from any Ag or sports member in Calahoo.

And because arrangements have to be made well in

advance, the grand opening of Calahoo's arena is set for Saturday, June 14 and Wayne Vold, a singing cowboy and his group, also featuring Sandi Michaels will provide the music.

Calahoo and community send their deepest and most heartfelt sympathy to all the families touched by Mr. Herbert E. Trueman's passing on April 8 in Stony Plain Hospital and to his loving wife Florence.

BABIES IN THE NEWS

Lucille and John Gagnon

of Calahoo are receiving congratulations on their first born, a darling daughter, Chancy Lee, weighing 8 lbs. 3 ozs, and born in Sturgeon General Hospital on Monday, April 7, 1975.

Her maternal grandparents are Edward (Lamarr) and Bernice Labonte of Calahoo.

Her paternal grandparents are John and Millie Gagnon and are also very proud of their grand-daughter.

Then there's great grandparents, Mr. and Mrs. Fred Labonte also of Calahoo who think she's just the greatest. Congratulations Folks!

Legal man escapes with injuries in rash of traffic deaths

Three people, two of them small children, were killed in a collision between a car and a three ton truck about two miles east of Busby last Saturday afternoon.

The driver of the truck, Dale Grigg of Legal, suffered minor injuries in the crash.

RCMP said that Marvin Stewart, 26 of Westlock and Vanessa Sernas four and her three year old brother, Timothy were killed in the accident which occurred at about 2 p.m.

Five other people were killed in traffic accidents in Alberta last weekend, two Edson teen-agers, David Kuzky, 19 and Barry Worthing, 18, being among them. They were killed in an accident about three miles west of Wabamun on Highway 16 at about 10 p.m.

NOTICE

Frontier Daze to have entertainment for all

The 1975 edition of Frontier Daze/June 21 and 22, will feature more than just fun, rides and sports, it will be geared to "Fun for the Whole Family." From 1 - 110 years, it doesn't matter; there will be something for everyone.

For youngsters there will be a special Kiddies Tent where prizes can be won just for "the heck of it." There will be a special building where youngsters can watch scheduled films, do poster painting, and join in supervised activities.

Then there will be the

bands performing on the grounds, bands strutting their stuff to thrill the crowds! Mounted Square Dance Riders will be in attendance at the parade as well as two performances each day; now that's got to be a crowd pleaser!

The Beer Gardens will be open from 12 noon Saturday till ??? and there's where the action lies for some!! The Caravan Band will be providing music for those who love the 'toe tapping' sound while they enjoy a little bubbly with friends. Other entertainment in the Beer

Gardens will include the Frontier Dollies, as pictured above. The Frontier Dollies have some new and exciting routines lined up, plus some very 'la-la' colourful new costumes!

During the two-day celebrations visitors to the arena building will hear local entertainment from youngsters, to Western, to modern, and all are guaranteed of an exceptionally enjoyable time.

Saturday night, June 21 will see two (2) huge dances being held. One for the adults (at the arena) fea-

turing the music of the "Sound Investment," and one for the teens featuring "Privilege." Now, who can ask for more?

Sunday night, June 22 will see the grand finale being held at the arena with top-notch entertainment, prizes, trophies and much audience participation!

Don't forget the fact that there is a gate prize of 100 SILVER DOLLARS to be awarded to some lucky person that night, so plan to be in attendance at - Frontier Daze 1975, in Morinville. "The Town With a Future."

Morinville's Frontier Dollies, all ready to perform again for the enjoyment of those attending Frontier Daze!

Villeneuve 4H club concludes fine year

By Frances Lema

On the Friday evening of April 4, the Villeneuve 4H Sewing and Craft clubs had their year-end party. It was really a good night out. Emile Soetaert's bus took the group to the NAIT pool for an hour of swimming. We thank Mr. Soetaert and also Simpson Sears for donating the money for the rent of the pool. Everyone was starved after that so we ate at Buffalo Bill's, where we had made reservations. There were sing-songs on the way home. The bus was full since each member could bring a friend and some mothers also came.

Everyone would agree it was a great evening.

Our club is very proud of one of our 4H public speakers -- Janice Kremer. She won first place at club level and then went on to the Regional level. Here she placed second. Next was for the North-West of Alberta where she won another second. Finally Janice spoke for the Northern part of Alberta where she came in third. The name of the speech that got her so far was "To Hide Inside." Good work Jan -- we're all proud of you!

ACHIEVEMENT DAY DRAWS GOOD CROWD

Year end parties mean the year of 4H is coming to an end so that brings around Achievement Day. It was held on Monday, April 4. The two clubs (craft and sewing) had their Achievement Day together. The girls had set up their displays the evening before. The judges came on Monday afternoon to judge the projects. The judges this year were Mrs. Dorothy Rigney, Mrs. Norma Clarke, and Mrs. Marg Dolman. The program was filled with singing, entertainment, two demonstrations, two speeches from the junior and senior divisions, and each girl modelling the garment she made.

Awards were given out first for the craft club. The following people were given awards: Efficiency - Michelle Gagnier; Best Project Book, 1st - Pam Henry; 2nd Best Project Book - Frances Lema; Miss Congeniality - Debra Borle; Club Week Delegate - Debra Borle; Public Speeches - Janice Kremer (1st), Mary Lea McAnnaly (2nd). In the sewing club the following awards were given: Efficiency - Donna Bokenfohr; Best Project Book - Donna Bokenfohr; 2nd Best Project Book - Lana Kremer; Miss Congeniality - Joan Coyes; and Club Week Delegate - Joan Coyes; Public Speakers - Susan Coyes (1st) and Suzanne Gagnier (2nd).

The group who won Best Display was the Craft Club group. A \$100 cheque was awarded to Bill Soetaert, the president of the Villeneuve Athletic Association, from the 4H clubs.

Our leaders - Marg Borle (crafts), Marilyn Henry (crafts), Irene Bokenfohr (sewing), and Elaine Soetaert (sewing) - were also given gifts from the clubs. This year each member of the clubs received a framed membership certificate. The Villeneuve Hall was full since we had such a good turnout of people. Lunch was served after. Another year of 4H finished!

Awards, trophies presented at Gibbons hockey windup

By Shirley Steinwand

MINOR HOCKEY AWARDS NIGHT

Presentation of awards followed a delicious chili supper March 15 in the Community Hall at the annual minor hockey awards night. Approximately 220 people attended.

Master of ceremonies, Don Rurak, started the presentations by introducing the shavers team. Coaches for the 27 eager shavers this year were Don Rurak and Gerry Prins. Each of the shavers received an individual trophy from a donor who wished to remain anonymous.

Daryl Hunt received the Wilf Oliver high scoring

award trophy. The Spencer Holmes trophy for most valuable player went to Ron Christie.

Plaques with all the shavers names engraved on them were presented to coaches Don Rurak and Gerry Prins by Wilf Shaw on behalf of the shavers team.

A plaque was also presented to Bill Jaansen, who turned out to referee most of the shavers games, and helped in so many other ways, by Daryl Hunt.

Don then called on coaches Sid Rains, Mr. Dykstra and Mr. Petherbridge for the mites. Sid Rains took the floor and introduced each of his players. Individual tro-

phies were again presented to each player.

The Norman Knott high scoring award trophy went to Wayne Petherbridge. Jack Hogg's most valuable player trophy went to Jeff Roque and David Westra. Wayne Petherbridge presented plaques to the coaches.

Peevees coach Glen Mabbutt introduced his players next. Kevin McLean received the Joe Morin high scoring award. Most valuable player, David Allen received the Nick Coronado trophy.

Bantams coach Clem Lamoureux introduced his players with an interesting story about each.

Larry Thompson received the Earl Toane high scoring award trophy. The John David Fraser memorial trophy for most valuable player

went to Bronco Briggs.

The midgets were introduced by coach Darwin Serink. High scoring award, Gibbons Recreation Board trophy went to Bill Kerr. Most valuable player trophy went to Kelly Mabbutt.

Coach Jim Tidsbury introduced his girls hockey team. There were no trophies presented to the team at this time.

Darwin Serink thanked Don Rurak for all his hard work in the minor hockey and community.

Don thanked all the people for their support during the year, the ladies that cooked the meal, the ladies that served and cleaned up.

As Don is shortly moving to Innisfail, Roger Pelletier will take over as president until next fall.

This very enjoyable evening brought the hockey season to a close for another year.

Vanier School news

Two girls from our school, Ruby Khullar (Gr. 11) and Louise Dupuis (Gr. 10), will be attending a seminar on May 3-4 sponsored by the Edmonton Business and Professional Women's Club as an International Women's Year Project.

The club has invited two girls from each participating school in the area to attend this seminar at Lister Hall.

University of Alberta. The purpose of the seminar is to acquaint the girls with the wide variety of occupations now open to women in the working world. It is designed to give the participants an opportunity to hear women presently in a variety of occupations give realistic accounts of their work, its main source of satisfaction, basic training requirements, scope for employment, sal-

aries, and careers continued with marriage.

Ruby and Louise, the two delegates from our school, may look forward to an interesting and informative weekend.

SENIOR PROM

One of Vanier's important upcoming events is the Spring Prom to be held on May 24 to give the Grade 12

students their much deserved "farewell party." The dance will be held at the Morinville Recreation Centre, and will commence at 9:30 p.m. The prom committee this year will be featuring the band "Nite-lites" and will be serving a midnight buffet.

Admission is \$3.50/person or \$6.50/couple and tickets may be obtained from the school or at the following local business places; Morinville Credit Union, Morinville Drug Store, and Paul's Confectionary.

Everyone is invited to attend and to give their best wishes to our graduating class.

TEEN DANCE!

On Friday, May 2, the Frontier Dollies will be hosting a teen dance at the Morinville Recreation Centre commencing at 9:30 p.m. One of Alberta's top bands, Great Canadian River Race, who now have a popular single and an album out, will be featured.

There will be an admission fee of \$2.50 per person. Many of the people who have had the opportunity to hear them play suggest that no one miss this well known group when they appear in Morinville.

Legal CWL report

By Mary Kachurowski

The St. Emile's CWL of Legal held their regular meeting at the Recreation Centre on April 15 with 10 members present. The meeting opened with a prayer led by Father Bissonnette. Spiritual convener, Mary Quaghebeur read an interesting article entitled "Troubles To Be Faced."

Secretary-treasurer, Claire Yvonne Keanne, read the

minutes and presented the financial report.

Seven members attended the CWL convention which was held in Vimy on April 15, and an interesting report of the day's activities was given by Mary Quaghebeur and Mary Kachurowski.

Gertrude Labreque very ably presented the study program for this month entitled "Division in the Church Today." A most interesting discussion fol-

lowed.

Election of officers took place and the new executive are as follows: President - Mary Quaghebeur; secretary-treasurer - Madeline Cornelis; 1st vice - Mary Kachurowski; 2nd vice - Claire Yvonne Keanne; 3rd vice - Jeanne Barry; social convener - Gertie Labreque and Pat Montpetit.

Outgoing president, Madeline Cornelis, thanked all the members for their wonderful support and co-operation during her two year term of office; and welcomed the new executive and wished them success.

Meeting closed with a prayer. Next meeting will be held on May 20.

NAMAO NEWS

By Norma Crozier

Red Cross Blood Donor Clinic for Namao - Bon Accord areas will be held at the Bon Accord Community Hall on Tuesday, April 29 from 6 - 9 p.m. Babysitting provided. Through voluntary donors the Red Cross supplies blood and blood products free of charge to any patient in any hospital in Canada so please attend the clinic and give so someone may live!

Namao 4H Buttons and Bows Clothing Club will hold their Achievement Night in the Community Hall on Monday, April 28 at 7:30 p.m. Everyone is welcome to attend.

Sturgeon South Fine Arts

Festival (non-competitive) was held at Horse Hills School on April 17, 1975. Participating schools were Horse Hill, Namao and Sturgeon Heights. Two hundred and forty-six Namao students participated including Grades 1 to 6 classes, junior and senior special education classes plus representatives from most junior high school classes.

Festival entries included choruses, solos, choral speech, public speaking, gymnastics, creative dance and drama. There were also approximately 80 entries in arts and crafts displays, these were not judged just displayed, ranging from drawings to paper mache to a decorated cake.

LEGAL LOCALS

By Lucienne Montpetit

Playschool concerts will be held May 1 at the school. Everybody welcome.

Everyone is invited to attend a Fete au Village meeting to be held on Tuesday, April 29 at the Rec Centre at 8 p.m. Remember that its your community celebration and the success depends on you.

Les Femmes Chretiennes will hold a bake sale on April 28 at the Co-op. Your donations will be greatly appreciated. The proceeds are for Development and Peace.

Can you cook? The Sturgeon Foundation are in need of a head cook to start immediately. If you are interested contact Mrs. Lea Pelletier 961-3972.

Its time you think about your Fete au Village attire, if you want a sash and toques give your order to Jeanne Maurier now - 961-2515.

The arena has been broken into and the hockey equipment has been stolen, so if you see pieces of equipment that doesn't belong to your

children inquire and return them to members of the board or at the Rec. Centre. The Rec. Board is devoting a lot of time for recreational purposes so its up to you parents to see that your children respect the properties of others because when the Board has to purchase more equipment its the parents that will have to pay.

Some 200 guests gathered at the community hall on April 19 for a social evening in honour of Jeannette Zilinski and Rick Radcliffe. Denis Zilinski presented the couple with a purse on behalf of everyone. Jeannette and Rick will be married on May 10.

Marcel and Lorraine Kremer and family returned on April 22 from an enjoyable trip to Disneyland. They also spent a week with Lorraine's parents Mr. and Mrs. Leon St. Martin in Hemet, California.

On May 2 the brownies and guides will be knocking at your door to sell cookies. We hope you will support and encourage the girls.

No wonder Mr. Lisle Kivell, president of the Central Sturgeon Agricultural Society is smiling - he is being presented with a cheque for \$50,000 by Mr. Ernie Jamison, MLA, on behalf of the Department of Agriculture's Agricultural Society Grant Program. Mr. Kivell explained that construction on Morinville's multi-purpose recreational/cultural facility had been in abeyance since February and the receipt of the funds would constitute a return to the job. Mr. Kivell expressed gratitude and said how pleased he was to receive the grant. He asked Mr. Jamison to extend his gratitude to the province for the needed funding and report that the Central Sturgeon Agricultural Society will be proceeding with interior finishing of the building. They plan to have everything "ship shape" by this coming fall.

Traffic Cop: "Use your noodle!"
 Tourist: This is a dangerous canyon. Why don't you put up a danger sign?
 Lady: "My goodness! Where is it? I've pushed and pulled everything in this car."
 Native: We did have a sign once, but nobody fell in, so we took it down.
